Michael Moore promoting homosexuality to the NMC Children's Choir and packed house at the 2015 Martin Luther King Jr. Remembrance Day at the State Theatre.

He said: he was hopeful since the U.S. Supreme Court took up the Michigan Marriage Amendment case, "where it is currently in our Constitution ... illegal ... to be married to someone of the same gender."

"... IT WILL BE ANOTHER REASON FOR MARTIN LUTHER KING TO SMILE DOWN UPON US HERE SHORTLY."

"I'm so hopeful, mainly because of OUR YOUNG GENERATION ... THEY'RE NOT 'HATERS!' RIGHT? THEY'RE NOT 'BIGOTS', ARE THEY? They don't look at color. THEY DON'T CARE WHO YOU'RE IN LOVE WITH. Right?"

But would Martin Luther King really be smiling down on so called "gay marriage?" Please consider Dr. King's only reported written thoughts about homosexuality, as recorded by an article by **Matt Barber**. What follows are some select excerpts, but if you Google the title you can read the entire article:

Civil rights icon saw homosexuality as a 'culturally acquired' problem with a 'solution' [psychiatric counseling] – a "habit" stemming from a series of negative "experiences and circumstances."

By Matt Barber

This past week America honored both the life and noble work of the **Rev. Martin Luther King Jr.**, a Bible-believing Christian minister who did more to advance the cause of **race-based civil rights** than perhaps any other person in recent history.

Regrettably – and as they do each year – the same flock of opportunist "LGBT"-activist vultures quickly swooped in, picking the live flesh from **MLK's character-based "dream,"** to advance their own **behavior-based nightmare.**

In what amounts to a sort of soft racism, **this mostly white left-wing faction has, over the years, disingenuously and ignobly hitched its little pink wagon to a civil rights movement that, by contrast, is built upon the genuine and noble precepts of racial equality and humanitarian justice.**

What was MLK's position on the homosexual lifestyle and so-called "gay rights"? While he said little in public on the issue, what he did say made his viewpoint abundantly clear. Unlike the "LGBT" lobby, I'll let Dr. King speak for himself.

In 1958, while writing an **advice column** for **Ebony Magazine**, Dr. King responded to a young "gay" man looking for guidance. To avoid being accused of "cherry-picking," **here is the exchange in its entirety:**

Question: My **problem** is different from the ones most people have. I am a boy, but **I feel about boys the way I ought to feel about girls.** I don't want my parents to know about me. What can I do? **Is there any place where I can go for help?**

Answer: [Dr. Martin Luther King Jr.]: Your **problem** is not at all an uncommon one. However, **it does require careful attention.** The type of feeling that you have toward boys is probably **not an innate tendency**, but something that has been **culturally acquired.** Your reasons for adopting this **habit** have now been **consciously suppressed or unconsciously repressed.** Therefore, it is necessary to deal with this problem by getting back to some of **the experiences and circumstances** that led to the habit. In order to do this I would suggest that you **see a good psychiatrist** who can assist you in bringing to the forefront of conscience all of those experiences and circumstances that led to the **habit.** **You are already on the right**

road toward a **solution**, since you honestly **recognize the problem** and have a desire to solve it.

... No amount of leftist spin can muddy Dr. King's lucid position on the homosexual lifestyle. **He recognized it as a "culturally acquired" "problem" in need of a "solution" – a "habit" stemming from a series of negative "experiences and circumstances."**

Gary Glenn is a candidate for the Michigan State House. He ... said: "If **homosexual activists** had been holding awards ceremonies back in 1958," wrote Glenn, "they would have labeled **Dr. Martin Luther King Jr. a bigot** for his published views on homosexual attraction."

Indeed, were he still alive today, and when judged against today's empty, politically correct standards, **Dr. Martin Luther King Jr. – quite literally the "King" of civil rights – would be perpetually smeared as a "bigot," "hater" and "homophobe" by the ever-"tolerant" left.**

Dr. Alveda King is the niece of Dr. Martin Luther King Jr. She agrees [saying]:

"To equate homosexuality with race is to give a death sentence to civil rights," said Alveda in 1997. "No one is enslaving homosexuals ... or making them sit in the back of the bus."

In 1998 at the University of North Carolina, she said, "Homosexuality cannot be elevated to the civil rights issue. The civil rights movement was born from the Bible. God hates homosexuality."

So when **Michael Moore** or anyone else try's to **compare the noble civil right movement (based on one's race, which is inborn, involuntary, immutable, and innocuous) with homosexual behavior (which is learned, voluntary, changeable, and especially for males, high risk),** they are mis-representing Dr. Martin Luther King Jr.

We at **www.TCFamily.org** have also been concerned about the **homosexualists at Traverse City Area Public Schools (TCAPS)** for at least the last 16 years and more. You can see some of that activism on our TCFamily website in the article "TCAPS and Friends Promoting Homosexuality." **Alfred Kinsey**, known as the **Founder of the Sexual Revolution**, was an in-the-closet homosexual. You can see his picture photoshopped onto the TCAPS Administration Building below.

Was his data accurate and scientific? You decide once you know that according to **Dr. Judith Reisman** – foremost expert on Kinsey – from researching his data she discovered that: **86% of the people that Alfred Kinsey interviewed were sex-addicts, homosexuals, criminals, rapists, prostitutes, pedophiles, and prisoners.**

Dr. Reisman wrote the book "STOLEN HONOR, STOLEN INNOCENCE", to detail the fraudulent work of Kinsey. With its much skewed data mentioned above, **it disparaged the morals of the "Greatest Generation" – the men and women of the World War II era. And it compromised the innocence of the children by the constant and everywhere promotion of sex and homosexuality in our society**

We are also concerned about **TCAPS School Board Member Gary Appel's stated desire to inhibit the religious freedom protections for TCAPS students and parents.** This is in regards to an email that I sent out encouraging our pro-family supporters to contact their lawmakers in Michigan and ask them to vote FOR the proposed RFRA (Religious Freedom Restoration Act.)

Mr. Appel responding as follows in an email reply to me: "From: Appel, Gary [mailto:AppelGa@tcaps.net]

Subject: RE: TCFamily Press Release: Vital request to call your MI state senator ASAP; ...

Thank you for alerting me to this. I will call my legislators and urge them to vote NO on these bills. I will also forward my recommendation to the more than 1000 voters who have communicated with me over the years.

We are also concerned about **Northern Express Newspaper** editors refusing to print my letter to the editor regarding **Stephen Tuttle's** July 6, 2015 article entitled: "PICK A NEW FIGHT", and ending with the paragraph: "The reality is simple; this battle in the social wars is over. Opponents of same-sex marriage and the ACA lost. It's time they pick a new fight." The Northern Express Editor who emailed me (Luke) wrote the following response: "We reserve the right to publish, edit, or reject any letter. This letter was rejected because of the personal and attacking tone about a specific

writer." Certainly they do have that right, but shouldn't they promote diverse and strong opinions EQUALLY amongst their readership? You decide from selections from 15 letters to Northern Express letters critical of the August 24th letter entitled "No More State Theatre." Here are a few of the selected comments: "... pathetic and narrow-minded letter ... your hate and contempt of people ... homophobic presence ... intolerant attitude ... homophobic bigots like her ... spread your hate ... a heart so black ... her filthy comments ... hate and prejudice ... with your venom ... our shared revulsion for such shortsighted malice ..." [Did not Northern Express Editors allow some attacking here?]

Now here is my so-called "attacking" letter Northern Express Refused to print:

{Stephen Tuttle wrote (July 6, 2015 "Pick A New Fight") regarding the Supreme Court Decision to legalize "gay marriage" that "... the Supreme Court decisions are the laws of the land."}

Let's back up to my first "Religious Freedom Challenge" letter to Mr. Tuttle on May 11th. I challenged Mr. Tuttle to a debate and stated that "every foundational stone of the "gay" movement is corrupt: Alfred Kinsey "science"; 1973 APA Decision; Kirk & Madsen "After the Ball"; Matthew Shepard; plus extreme health risks."

I then called Mr. Tuttle and encouraged him to debate publically his views promoting homosexuality in our community. His 10 second response and abrupt hang-up was: "No, we're not going to do that - thanks for calling though."

It appears that he is unwilling to defend his promotion of homosexuality - ultimately even to the TCAPS Kindergartners - which according to the CDC, "male-to-male sexual contact" is causing 94-95% of the new HIV infections in 13-24 year old young men.

Mr. Tuttle also stated: "We don't get to pick and choose which [Supreme Court] decisions to follow." Well then why don't I see you campaigning support for the obviously illegitimate 1857 Supreme Court Dred Scott Decision that stated: "... people of African descent were not fully human?"

We up the ante, and challenge you to debate Dr. Scott Lively (arguably THE foremost expert on the homosexual activist movement in the world) at his Traverse City Conference August 22&23 at TWO locations: at Harbor Light Christian Center 4050 Barnes Rd: Sat Aug 22: 2-6pm & Sun Aug 23: 6-8pm; AND at TC Christian School 753 Emerson Road: Sat Aug 22: 7-9pm & Sun Aug 23: 10-12am. He will give you ample time to challenge him, unlike your unwillingness to accept my challenge to you.

Traverse City Mayor Jim Carruthers' introduction to the 2016 MLK Jr event at the State Theatre: "I might not be standing here today as mayor if it wasn't for people like Dr. Martin Luther King. As an openly "gay" man I have felt the struggle in my life throughout my entire life to gain acceptance in my civil rights and I have fought tirelessly for those ..."

Two additional MLK Day events also promoted homosexuality at: (1) The Great Lakes Children's Museum (for young toddlers on up) and (2) Northwestern Michigan College (NMC). The homosexuals are constantly trying to indoctrinate the children and young adults with their misinformation. Is this something that the Museum's parents and donors should be happy about? Is NMC's use of humor to desensitize young college-aged adults not just a back door to promote the homosexuals "sexual freedom" = "sexual license" = "sexual anarchy" world view? And should financial sponsors WTCM Radio and the West Bay Beach - a Holiday Inn Resort be proud of supporting this indoctrination of Traverse City community toddlers through young adults?

Peace Day When: Mon, January 18, 11am - 3pm Description Peace Day- On Monday, January 18th come to the Great Lakes Children's Museum on Martin Luther King Day to explore and celebrate Peace. There will be special story times at 11:00, 12:00, 1:00 and 2:00, featuring the book ...

... "It's O.K. To Be Different", by Todd Parr. ...

[Online google discovered details:] "... An illustration of two women ("It's okay to have different Moms") and two men ("It's okay to have different Dads") handles diverse families sensitively—this could cover either same-sex families or stepfamilies ... He wisely doesn't zero in on specifics, which would force him to establish what's "normal." Instead, he focuses on acceptance and individuality and encourages readers to do the same. All ages."

[It is ironic that online advertising states that "NMC Student Life Presents: Sampson McCormick", especially when homosexual men's expected life span is shortened by 8 - 20 years (Oxford Study), and 94-95% of the new HIV infections for males in the 13 - 24 year old age group are homosexuals [U.S. Center for Disease Control (CDC) Data].

[TCfamily will hand out this flyer - always sharing the truth in love - at the event.]

Finally, two slides to address Michael Moore's "WE ARE ALL MUSLIM" sign he used to protest in front of the Trump Tower last week - photoshopped below. My question to Michael regarding homosexual behavior and any religious beliefs he may be promoting is this: Is what you are promoting good for the TCAPS Kindergartners - 12th grade children?

Still think everyone is Muslim, Michael?
