

# **“Open Letter to Bill Maher regarding homosexuality”**

## **from TCFamily.org (Updated Version)**

February 12, 2015

**Dear Bill Maher:**

I am writing this Open Letter to you **Bill Maher** since Michael Moore has invited you to headline the 2015 Traverse City Comedy Festival this weekend. I'd like to comment on two YouTube videos of you saying: (1) **“I'm not a liar”**, which means to me that **you love TRUTH and try to promote it**; and (2) **“We've won the 'gay' marriage debate.”** (I found these statements from just two of your many videos promoting homosexuality.)

[Read the original 2-page pdf file bright-orange-colored Open Letter to **Bill Maher** that was handed out (over 1500 copies) at the 2015 Traverse City Comedy Festival [HERE](#). (The expanded version with hotlinks continues below.)]

**Bill Maher**, I along with many other local parents have been concerned about our local Traverse City Area Public Schools (TCAPS) **promoting homosexuality** to the Kindergarteners – 12<sup>th</sup> graders for the last 15 years or more. You can see why we are concerned by reading the 46 slides of **“TCAPS & Friends Promoting Homosexuality”** article at [www.TCFamily.org](http://www.TCFamily.org).

We plan to continue as long as it takes to convince all 7 TCAPS school board members plus their soon-to-be-hired Superintendent of the harm that is being done in promoting homosexuality to the students. (This really should not be as difficult as it has been, since **TCAPS #1 stated goal the safety of the students.**) We want all harmful behavior discouraged at TCAPS – regardless if it is politically correct or not – all the while lifting up the dignity and extreme value of each and every child as created in the image of God.

**Bill Maher**, with this in mind, TCFamily shares the Truth in love whenever and wherever it is promoted in NW Michigan. (You can see 35 minutes of our **street outreaches** from the **“Cadillac 'Gay' and Lesbian Picnic in the Park”** to the 2014 **Mackinaw City Labor Day Bridge Walk** (40,000+

people) and plus four Traverse City area events on our **“Scott Lively Episode 9 Show”** video that is currently running on Charter Cable Channel 189 via the local access television Up North Media Center.

So now **Bill Maher**, please consider your first statement: **“I'm not a liar”** (or **you love truth and try to promote it**) as we look at a **Brief History of the Homosexual Movement**, all the while considering how much “Truth” this movement is actually based on.

Let's start with **Alfred Kinsey, known as the “Father of the Sexual Revolution.”** **Dr. Judith Reisman** is commonly known as the leading expert on Dr. Kinsey. She has stated in interviews and writings dealing with Kinsey's “Science” that:

“Kinsey stated it very clearly,” said Charles Socarides, MD. **“That all types of sexual activity—sex with the opposite sex, sex with the same sex, sex with both sexes, sex with children, sex with whips and chains, fisting sex, sex with animals—any kind of sex was normal and common.”** [That's what is coming down the line, and **Is this Kinseyan “sexual freedom” = “sexual license” = “sexual anarchy” really what we want to promote in our Traverse City Area Public Schools (TCAPS) 10,000 student school district?**]

“Dr. Kinsey was involved in the **sexual torture** -- and I use that word appropriately -- torture of up to 2035 children, the majority of those were little boys. The youngest was two months of age.”

“**Kinsey** claimed that promiscuity was harmless, without consequences of venereal disease, illegitimacy, or anything else. And worst, his data and “orgasmic” narrative claimed that rape, incest, and pedophilia/pederasty were also harmless.” (p35)

“No civilized world can remain civilized mimicking **Kinseyan sexuality**, the repudiation of Judeo-Christian moral standards. We must fight to retrieve our nation back, our pre-Kinsey sexual standards. With all its warts, pre-Kinsey we still were the greatest, safest, healthiest, wealthiest, most family-protective nation in the world.”

Now, Mr. **Bill Maher**, please consider that **Dr. Martin Luther King Jr.** is often used by homosexuals who compare the noble civil rights movement based on race with homosexuals using bullying tactics to promote high-risk homosexual behavior to the TCAPS Kindergarteners – 12<sup>th</sup> graders. But please consider **5 Reasons why we don't discriminate based on**

**Race** listed by **Peter Sprigg** from the Family Research Council (FRC), **NONE of which apply to homosexuals.**

Matt Barber from Barbwire.com reports on the only instance when Dr. Martin Luther King Jr. is reported to have spoken about homosexuality:

“Civil rights icon saw homosexuality as a ‘culturally acquired’ ‘problem’ with a ‘solution’.” What was MLK’s position on the homosexual lifestyle and so-called “gay rights”? While he said little in public on the issue, what he did say made his viewpoint abundantly clear. Unlike the “LGBT” lobby, I’ll let Dr. King speak for himself. In 1958, while writing an advice column for Ebony Magazine, Dr. King responded to a young “gay” man looking for guidance. To avoid being accused of “cherry-picking,” here is the exchange in its entirety:

**Question:** “My problem is different from the ones most people have. I am a boy, but I feel about boys the way I ought to feel about girls. I don’t want my parents to know about me. What can I do? Is there any place where I can go for help?”

**Answer: [Dr. Martin Luther King Jr.]:** “Your problem is not at all an uncommon one. However, it does require careful attention. The type of feeling that you have toward boys is probably not an innate tendency, but something that has been culturally acquired. Your reasons for adopting this habit have now been consciously suppressed or unconsciously repressed. Therefore, it is necessary to deal with this problem by getting back to some of the experiences and circumstances that led to the habit. In order to do this I would suggest that you see a good psychiatrist who can assist you in bringing to the forefront of conscience all of those experiences and circumstances that led to the habit. You are already on the right road toward a solution, since you honestly recognize the problem and have a desire to solve it.”

Now let's take a look at the “American Psychiatric Association (APA) decision in 1973 to remove “homosexuality” from their “Diagnostic and Statistical Manual of Mental Disorders” (DSM2) in 1973, as reported by Ryan Sorba:

The Intimidation of the American Psychiatric Association: “It was never a medical decision—and that’s why I think the action came so fast...It was a political move.” “That’s how far we’ve come in ten years. Now we even have the American Psychiatric Association running scared. (Barbara Gittings, Pro-Sodomy Activist)

You can read the entire 3 page description of this intimidation in slides 25 – 27 of the 46 document “TCAPS & Friends Promoting Homosexuality” document at [www.TCFamily.org](http://www.TCFamily.org).

Now please consider “The homosexual propaganda campaign in America's media” which lists the detailed gay agenda:

The homosexual agenda can succeed by conversion of the average Americans emotions, mind, and will, through, a planned psychological attack in the form of propaganda to the nation via media

- AIDS epidemic should be exploited "to increase attention and sympathy" as "victimized minority."
- All sexual morality should be abolished

Find 62 such quotes with page references at [www.TCFamily.org](http://www.TCFamily.org).

And what about the “**Truth**” behind the “**Matthew Shepard Federal 'Hate Crimes' Bill**”?

**Jimenez** [homosexual author of “**The BOOK of MATT**”] documents (HIV-positive) Shepard’s repeated sexual aggressions, and the book ends with this shocking revelation:

“**Matthew Shepard was a victim of sexual abuse and molestation as a boy and as a teenager.... At age fifteen Matthew was arrested for molesting two eight-year-old boys in his Casper [Wyoming] neighborhood...Matthew's juvenile arrest record had been quietly concealed.**”

Also consider the latest CDC statistics for TCAPS-aged 13 – 24 year old homosexuals comprising over 94% of the new HIV cases, with only slightly lower percentages for syphilis.

Finally, **Bill Maher**, let's go back to your second quote saying that “We've already won the 'gay' marriage debate.” But do you remember Lance Armstrong “winning” 7 Tour de France races? He cheated one way and lost it all; the “gay' activist” movement has cheated pretty much every step along the way.

And just like in the Pro-abortion Roe v Wade decision, where the pro-choice leaders thought they would certainly capture all the young people, but they were wrong. Their eyes were opened. And we at [www.TCFamily.org](http://www.TCFamily.org) will continue to share the truth in love on the street in Northwest Michigan, no matter what is decided in June by the “Supreme Court.” (God is the final Supreme authority, and he clearly condemns all sin, including homosexual behavior. 1Cor 6:11 is the “**ex-gay**” verse: “**And such were some of you. But you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God.**”

See our [www.TCFamily.org](http://www.TCFamily.org) for further documentation and to watch 9 Dr. Scott Lively teaching videos, plus many more.

**Thank you Bill Maher for your consideration.**

**We will be handing out this “open letter” brochure throughout the 2015 Traverse City Comedy Festival.**
