(Written and Distributed in Traverse City, MI Area by TCFamily.org) (Version 02 dated 2017-06-30)

The three pairs of new TCFamily Street signs below help to illustrate WHY THE LGBTQ MOVEMENT IS FAKE: FAKE **SAFETY:** the top two and the bottom right signs; **FAKE "CIVIL RIGHTS":** the middle two signs; and **FAKE GAY** 

MANIFESTO BOOK: the bottom left sign shows emotional marketing, not reason, facts, and science.

# WHY we DON'T ALLOW DISCRIMINATION based on RACE:

that apply to 'RACE'		DEFINITIONS:	
1.	INBORN:	Possessed at birth; Inherited or hereditary.	
2.	INVOLUNTARY:	Done without will or conscious control.	
3.	IMMUTABLE:	Unchanging over time or unable to be changed.	
4.	INNOCUOUS:	Not harmful or offensive.	
5.	IN the CONSTITUTION:	In the Founding document of the United States	

ALL of these criteria apply to RACE; but NONE of them applies to the CHOICE to ENGAGE in HOMOSEXUAL CONDUCT or in CROSS-DRESSING BEHAVIOR. which is what GENDER IDENTITY deals with, ... TCFamily.org

- Reason won't persuade only EMOTIONAL APPEAL works!

#### **FAKE SAFETY:**

That's why we were at the Saturday April 29, 2017 "Gay" Prom at Traverse City's Hotel Indigo – to warn those 95 (9th – 12th grade) Traverse City Area attending teenagers (from the 5 surrounding counties) about the Fake LGBTQ Movement (see top two signs above) and the extreme health risks

connected to those practicing homosexuality.

The Polestar website said: "Polestar has been working closely with students and teachers from Traverse area GSAs to plan the first ever Northwest Lower Michigan LGBT+ Prom.

Polestar North later identified the "anonymous donor" as Jeff Jenkins, and stated that his "donation made the evening possible."

Jenkins, a former Michigan resident, has been the long-time executive producer of "Keeping Up With the

Kardashians" and currently is co-president of entertainment and development at the Los Angeles-based Bunim-Murray Productions.

Jenkins identifies as a "gay" man — and calls himself a "champion of LGBT rights."

I'm sure that Mr. Jenkins and the area public school teachers promoting this are well-intentioned, but promoting high risk behavior and the Fake LGBTQ Movement to teenagers is functionally hateful.

Evidence of this can be easily seen from the 600-page Mass Resistance 2017 book entitled "The Health Hazards of Homosexuality". (See bottom right sign above), which links to 1800 hotlink documents in the ebook version, and has 99 pages of documentation

The FOREWORD to the book explains: "... The medical community in the U.S. (and around the world) has done

extensive study on homosexual health issues. This book cites that information, from the U.S. Centers for Disease Control and Prevention (CDC), medical professional associations, the American Psychological and Psychiatric Associations, the Gay & Lesbian Medical Association, the Fenway Institute, various **LGBT-friendly clinical guides**, and numerous research studies." Here are two of their **1800** documented health hazards:

- "Among adolescent males aged 13–19 years, approximately 91% of all diagnosed HIV infections are from male-to-male sexual contact."
- "A Canadian homosexual advocacy group, in its "Human rights complaint against the government of Canada" (2009), states that gay/bisexual men lose 20 years" [of life]

### **WARNING:** Description of homosexual perversion:

Excerpts from www.AmericansForTruth.com article entitled:

'Gay' Doctor, Stephen Goldstone: Anal Sex Like a 'Battering Ram' for which Your 'Sphincter Is No Match'

"... Can you handle the truth about homo-sex? Most people can't, because it is brutal (literally) and repulsive. Here is a quotation from <a href="Dr. Stephen">Dr. Stephen</a>
Goldstone, an open homosexual and author of *The Ins and Outs of Gay Sex.* Dr. Goldstone is an Assistant Clinical Professor of Surgery at **The Mount Sinai School of Medicine** and an expert on "gay men's health" and "anorectal disorders," according to the ("gay"-affirming) **Physicians**Research.

... Keep in mind that Goldstone is a 'sex positive' homosexuality advocate who dedicates his book to his [male] lover, Bruce." Also, it seems obvious but it needs to be said: anal sex is also high-risk if practiced by heterosexuals ..." Peter LaBarbera, AFTAH

#### Dr. Goldstone writes:

"Just as your internal sphincter muscle involuntarily relaxes when feces enter your rectum, it involuntarily contracts when a penis or other object attempts to enter from the outside...An anal tear can occur during the initial phase of anal sex precisely because your partner pushes his penis through a closed sphincter. Think of his penis as a battering ram, one for which your internal sphincter is no match."

–Dr. Stephen Goldstone, The Ins and Outs of Gay Sex: A Medical Handbook for Men, (Dell: New York, 1999), p. 4.

# FAKE "CIVIL RIGHTS":

Traverse City Police Chief Jeff O'Brien (see middle two street signs above) shared at the February 6, 2017 City Commission Meeting: "I think the civil rights movement of the 21st century is the LGBTQ issues ..." But we know that Civil Rights are: inborn, involuntary, immutable, innocuous, and "in the Constitution" -- ALL of which apply to race, but NONE of which apply to homosexual conduct.

Please also consider the King of Civil Rights,
Dr. Martin Luther Kings' only reported written
thoughts about homosexuality, as recorded in a
compassionate letter to a man struggling with
same sex attraction (SSA) and published in
1958 in Ebony Magazine -- excerpts only:

"Civil rights icon saw homosexuality as a 'culturally acquired' 'problem' with a 'solution' [psychiatric counseling] – a "habit" stemming from a series of negative "experiences and circumstances."

#### FAKE ALFRED KINSEY "Science"

Alfred Kinsey is known as the "Father of the Sexual Revolution", but as an "in the closet" homosexual, he could also be seen as the Father of the Homosexual Revolution. Here are some quotes about Kinsey from preeminent Kinsey whistleblower Dr. Judith Reisman from her book: "SEXUAL SABOTAGE: How one mad scientist"

unleashed a plague of corruption and contagion on America."

- 87% of his subjects for his "scientific data" were: sex-addicts, homosexuals, criminals, rapists, prostitutes, pedophiles, and prisoners!
- Alfred Kinsey ... and his cult libeled our World War II warrior generation in order to validate his own cowardly perversions by creating a "sexual revolution." (p5)
- Abundant evidence of child sexual torture by Kinsey's "researchers," who engaged in brutal, sexual experiments on children. (p24)
- [Go to www.TCFamily.org to read 40 more appalling facts about Kinsey from just the first three chapters of her book (Search "Kinsey"); He's not a "Father" that I would want to be "loud and proud" about.]

## FAKE "1973 APA Decision":

Ryan Sorba wrote "The Born 'Gay' Hoax" which details the take-down of the APA, when homosexuality was declassified as a disorder: here are some excerpts showing it was a Fake Decision:

'Gay' activist who helped in the takedown,
 Barbara Giddings, said: "It never was a medical decision ... After all, it was only three years ... It

was a political move ... That's how far we've come in ten years.

Now we even have the American Psychiatric Association running scared."

 Anytime a scientific organization endorses sodomy, remember Gittings words: They are "running scared." Pro-sodomy activists have learned that intimidation and strategic alliances work, and they are never hesitant about using intimidation and psychological manipulation to reach the goals of their radical agenda.

## FAKE 'Gay' Manifesto Book: "AFTER THE BALL":

See the bottom-left Street Sign above showing Propaganda and Emotions (i.e. ~ Love is Love is Love) rather than reason, and thusly promoting high-risk behavior — contrary to TCAPS' Board and Superintendent's claim that SAFETY is the #1 concern—and the FAKE LGBTQ Movement, ultimately to the TCAPS

K-12 children and young adults. [Read 62 details on "After the Ball" – search for "Ball" at <a href="https://www.TCFamily.org">www.TCFamily.org</a>.

# **FAKE "TOLERANCE":**

Dr. Scott Lively says: It's a 5-Stage Process of "Cultural Conquest":			
	<b>5 STEPS TO CULTURAL CONQUEST:</b>	<b>DEFINITION:</b>	
1	Request for "Tolerance"	The Right to be left alone	
2	Then Acceptance	An Equal Status	
3	Then Celebration	Promote Homosexuality as a Good & Noble Behavior	
4	Then "Forced Participation"	Everyone must Participate in "Gay" Culture	
5	Then "Punishment of Dissenters" or DOMINANCE	Punishment of everyone who disagrees	

Dr. Scott Lively has described the LGBTQ process of conquering or dominating the culture; Local example of LGBTQ Activists seeking

dominance: The "Out and Proud" leader had me removed from a Polestar North "Town Hall" meeting on May 24th, 2016, (where "gay" Mayor Jim Carruthers looked

on as Chief of Police Jeff Obrien escorted me out) just as soon as I arrived – when the stated goal of the meeting was: "The goal of the meeting is to welcome ANYONE to discuss the future plans for the center, ask questions and give feedback."

They Have No Excuse Romans 1:18-32

# **FAKE LGBTQ Biblical "Allies":**

Romans 1:18-32 (God's Wrath on Unrighteousness) condemns many sins, including sexual sins as well as homosexual sins. Moreover, Romans 1:32 judges

those "so-called" LGBTQ "Allies" who are "smarter than God," saying: "...who, knowing the righteous judgment of God, that those who practice such things are deserving of death, not only do the same BUT ALSO APPROVE OF THOSE WHO PRACTICE THEM."

Ex-'Gay' Verses
1 Corinthians 6:9-11

But 1Cor 6:11 gives great hope to those struggling with same-sex attraction, saying:
"... And such were some of you. But you were

washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God."
