

The Pink Swastika –

How Homosexuals invented and ran Hitler's Nazi Party – AND how this relates to Traverse City Area Same-Sex-Attracted Individuals and their so-called "Allies" (06/27/18 – version 03)

Emmy Lou Cholak kindly shaking my (Bill Wiesner – www.TCFamily.org Founder) hand as I held my "Fake LGBTQ Movement sign" in the City Council Chambers while the Sarah Hardy Awards were being given out. I responded to her kind greeting by saying that she has always been super sweet to me.

Just before greeting me she had spoken before the City Commission and shared this: "... Some of you may remember the threat of a skinhead conference on the 4th of July Celebration back in the 90's. Hate-Free-TC was founded to counter that threat ... to help keep our city ... hate-free and open accepting of all people."

Skinhead | Definition of Skinhead by Merriam-Webster
<https://www.merriam-webster.com/dictionary/skinhead>

Definition of skinhead. 1 : a person whose hair is cut very short.
2 : a usually white male belonging to any of various sometimes violent youth gangs whose members have close-shaven hair and often espouse white-supremacist beliefs.

I agree with Emmy Lou when she expresses concern about violent people who may espouse white-supremacist beliefs. But the next time I see her I will ask her if she knows about the group led by white supremacists Homosexuals that were responsible for murdering over 6 million of her fellow Jewish brothers and sisters.

Dr. Scott Lively and Kevin Abrams worked together to write "The Pink Swastika: Homosexuality in the Nazi Party." On p 8 of the 4th edition, they share that the **THESIS** of this book is:

"How Homosexuals invented and ran the Nazi Party."

Johann Hari, who describes himself as "a gay left-wing man," wrote an article published in the Huffington Post entitled: "The Strange, Strange Story of the Gay Fascists." (Updated May 25, 2011)

Dr. Scott Lively responded to this article with his own entitled: "The strange, strange story of 'gay fascism' deniers," (WND 08/27/12) where he shares quotes and comments on the Hari article, saying:

* "Hari's recitation of the facts about homo-fascism in history (as well as those of other "gay" sources) have an especially high degree of trustworthiness. They fall within a category of testimony that our judicial system calls "admissions against interest."

* **Homosexualists** can be expected to insult pro-family conservatives, and one rightly suspects their opinions of being biased. But when a died-in-the-wool "gay" activist writer like Hari tells you that "gay men have been at the heart of every major fascist movement that ever was," and "all the most high-profile fascists in Europe in the past 30 years [except LePen] have been gay," you can take it to the bank."

* Lively continues: What I find most interesting about Hari's article is that it has garnered virtually no opposition. The few comments on the HuffPo page are mostly benign, and if you do a search on Hari's name you find not a single suggestion that his article constitutes "Holocaust revisionism" or that he, himself, is a "homophobic bigot." That's very strange, because I've been called both a revisionist and a bigot for writing "The Pink Swastika."

Bryan Fischer, Host of Focal Point Radio, also quotes and comments on the Hari article with his own (10/21/12) article with the same title: "The strange, strange story of the gay fascists [revisited] By Bryan Fischer."

* Says Hari, "The twisted truth is that gay men have been at the heart of every major fascist movement that ever was — including the gay-gassing, homo-cidal Third Reich."

* Here is a homosexual who says in the third paragraph of his 3,480 word article that "gay men" were "at the heart...of the...Third Reich."

* Hari, by the way, uses the term "Gaystapo," which I will freely borrow from him with attribution for the rest of my life.

* The "icon to revere" for the Gaystapo is the flamboyantly gay Ernst Rohm. Hari calls him, along with Adolf Hitler, "the founding father of Nazism."

* According to Hari, Rohm "believed that gay people were superior to straights, and saw homosexuality as a key principle of his proposed Brave New Fascist Order." Gulp.

* Rohm ... He flaunted his homosexuality in public and insisted his cronies do the same. He believed straight people weren't as adept at bullying and aggression as homosexuals, so homosexuality was given a high premium in the SA."

* Thus, says Hari, "In its early years, the SA — Hitler and Rohm's underground army — was seen as predominantly gay."

* He quotes homosexual art historian Christian Isermayer, a contemporary of Rohm and Hitler: "I got to know people in the SA. They used to throw riotous parties even in 1933... I once attended one. It was quite well-behaved but thoroughly gay. But then, in those days, the SA was ultra-gay."

* It is Machtan's [German historian Lothar Machtan] well-documented contention that Hitler himself was homosexual, and that he had Rohm assassinated during the infamous "Night of the Long Knives" in 1934, not because Rohm was gay, but because he feared Rohm was about to out him to the German people. Hari agrees: "Hitler's main reason for killing Rohm was unrelated to his sexuality."

Nazi youth protesting in front of the **Sex Research Institute in Berlin** May 6, 1933. Later that same day **Storm Troopers looted the facility** and captured its files and records.

Then on May 10, 1933 the **incriminating records of the Sex Research Institute are burned in a public ceremony** along with books and other literature deemed subversive to German society.

Scott Lively wrote, ... Consider this incredible statement by Ludwig Lenz, the "gay" assistant director of the Berlin Institute of Sexology (headquarters of Germany's "gay" movement in the 1920s and early '30s) following the attack on the Institute by Nazi Brownshirts May 6, 1933: "Why was it then, since we were completely non-party, that our purely scientific Institute was the first victim which fell to the new regime? The answer to this is simple **... We knew too much.** It would be against medical principles to provide a list of the **Nazi leaders and their perversions [but] ... not 10 percent of the men who, in 1933, took the fate of Germany into their hands, were sexually normal.** ... Our knowledge of such intimate secrets regarding members of the **Nazi Party** and other documentary material – **we possessed about forty thousand confessions and biographical letters – was the cause of the complete and utter destruction of the Institute of Sexology.**"

THE PINK SWASTIKA: HIJACKING THE HOLOCAUST is an article written by **Judith Reisman.** These photos show Hitler and his **Jewish Chauffer Emil Maurice** and other friends. **Reisman says, "Now that Lothar Machtan, a reputable German historian, confirmed Hitler's homosexuality, it is highly likely that Maurice was indeed one of Hitler's lovers."**

All of Hitler's bodyguards and closest friends were homosexuals:

Hitler's personal bodyguards were homosexuals

Hitler Youth leader Baldur von Schirach was known as **"The Baby"** by the Nazi inner circle of pederasts. In 1934, the Gestapo reported forty cases of pederasty in just one Hitler Youth troop.

Below, see **Magnus Hirschfeld** who started the **"Scientific Humanitarian Committee"** to try to help **legalize homosexual behavior.** He was a **"Femme (Feminine)";** and **Adolf Brand** founded the **"Community of the Elite."** He was a **"Butch" (Masculine).** They

Adolf Brand and the "Community of the Elite"
One of the earliest leaders of the masculine homosexual counter-movement in Germany, himself a Hellenist, was Adolf Brand. In 1896, one year before Magnus Hirschfeld formed the Scientific-Humanitarian Committee, young Adolf Brand began publishing the world's first homosexual serial publication, *Der Eigene* ("The Elite").

had opposing viewpoints. It was the butches who were leading the Nazi Party; it was mostly **Femes** (and only **6,000 – 15,000** compared to over **6 million Jews**) who were **killed** in the holocaust by the **Butch homosexuals leading the Nazi Party.**

So how this relates to Traverse City Area Same-Sex-Attracted Individuals and their so-called "Allies"? Earlier, "gay left wing man" Johann Hari reported that "that **gay men** have been at the heart of every major fascist movement that ever was," including during **Hitler's WWII** and the last 30 years in Europe.

But surely this doesn't apply to Traverse City and America today, or does it? To find out the answer simply click on or google **"300 EXAMPLES YOU HAVE TO READ TO UNDERSTAND THE TERM 'HOMOFASCISM'"**, all recent links provided by ex-'gay' **Robert Lopez.**

Then ask yourself: **Is this the Traverse City and America that I want misleading and endangering and silencing my children – and misleading themselves?**

Dr. Lively has shared that in its most basic sense, the cultural struggle that we are currently in is: Homosexuality against Christianity – or Homosexual sexual freedom = sexual license = sexual anarchy versus Judeo-Christian "one flesh" paradigm of one man and one woman marriage for life. This Hellenism sculpture that Hitler is showing (promoting?) to Italy's Mussolini demonstrates homosexual **"sexual freedom."**

In his book **"Saving Truth,"** **Abdu Murray** talks of **"negative freedom" (freedom from interference and constraint, which dangerously resembles sheer autonomy that leads to chaos) AND "positive freedom" (freedom for—in essence, freedom for excellence according to whatever vision and ideals define that excellence.)** **Negative and positive freedom go hand in hand.** He continues, "In other words, positive freedom is the ability to do not just what we want, but what we should. He also shares that **we live in a Post-truth culture** where **"... certain things are true, but we don't care about the truth if it gets in the way of our personal preferences."**

In the last year our **homosexual Mayor Jim Carruthers** has **admirably stood up** against underage drinking, smoking, and opioid use, **saying it is the adult's responsibility to protect these children.** Mayor Carruthers should also stand up and **discourage** all **high risk homosexual behavior to children.**

Our **TCAPS BOE** just passed a **"Comprehensive Sex Ed"** curriculum that says it is **"abstinence-based"**, but only promotes **abstinence 5%** of the time versus **70% for authentic abstinence programs;** AND it says **"gay" sex is no different than heterosexual sex, even though it is 44 times more likely to cause HIV.**
