WE THE GOD FEARING PEOPLE AND PASTORS OF THE UNITED STATES, invoking the guidance of Almighty God, in order to secure and perpetuate the blessing of Liberty; to secure just and rightful Government; to promote our mutual Welfare and Happiness, do establish this proclamation and call upon the people of these United States of America who look to the Lord for guidance, to acknowledge the need for a national awakening of righteousness in our land.

WHEREAS, truth is true for all people at all times and in all places. There is no black truth or white truth, gay truth or straight truth, there is just TRUTH. Jesus is TRUTH and the Word of God is TRUTH; and

WHEREAS, God created the institution of marriage in Eden as God said, "It is not good for a man to be alone." God's divine will created a perfect helper and complimentary completer as God created the woman for the man (Genesis 2:18); and

WHEREAS, God created men and women as complimentary sexual beings and declared sexual intimacy within marriage as pure (Hebrews 13:4); and

WHEREAS, for the purpose of sexual intimacy, every man is commanded to be faithful to his own wife and every woman is commanded to be faithful to her own husband (1 Cor. 7:2-3); and

WHEREAS, Jesus defined marriage and sexual intimacy as being exclusively between a male husband and his female wife (Matthew 19:4-6); and

WHEREAS, any sexuality outside of the God-designed and -blessed intimacy of husband and wife, whether that be adultery, rape, fornication, pedophilia or homosexual behavior, is called sin; and

WHEREAS, declaring behavior the Bible calls sinful a civil right would make orthodox Christianity illegal and violate the First Amendment rights of Christians; and

WHEREAS, in a 2016 Gallup Poll, 4.1% of Americans admitted to participating in homosexual behavior, yet homosexuals account for 70% of all new HIV cases; and (<https://www.cdc.gov/nchhstp/newsroom/docs/factsheets/cdc-msm-508.pdf>)

WHEREAS, according to the Center for Disease Control (CDC) the rate of new HIV diagnoses among men who have sex with men (MSM) is more than 44 times that of heterosexual men; and

(<http://pfox-exgays.blogspot.com/2010/03/hiv-and-syphilis-in-msm-terribly-high.html>)

WHEREAS, according to the CDC the rate of primary and secondary syphilis among MSM is more than 46 times that of other men and more than 71 times that of women; and (<http://pfox-exgays.blogspot.com/2010/03/hiv-and-syphilis-in-msm-terribly-high.html>)

WHEREAS, according to the CDC 83% of primary and secondary syphilis cases are from MSM; and (<https://www.cdc.gov/msmhealth/STD.htm>)

WHEREAS, MSM are 17 times more likely to develop anal cancer than heterosexuals; and (<https://www.cdc.gov/msmhealth/STD.htm>)

WHEREAS, the rectum is biologically designed for excreting waste, the danger and damage from penile-anal intercourse, oral-anal intercourse, fisting, the consumption of fecal matter and other common MSM behaviors is abnormal, medically dangerous, anatomically destructive, medically life-threatening, and clearly is not natural;

WHEREAS, there is an active campaign to promote anal sex and other aberrant behaviors as normal sexual options for women, girls and straight young people, in liberal publications like Teen Vogue (<https://www.lifesitenews.com/news/teen-vogue-editor-flips-off-critics-of-anal-sex-article-blames-backlash-on>)

WHEREAS, anal sex is the highest risk sexual behavior; and (<https://www.cdc.gov/msmhealth/HIV.htm>)

WHEREAS, according to the Bible, loving your neighbor IS WARNING THEM about dangerous lifestyles and behaviors that lead to death or disease (Leviticus 19:16-17); and

WHEREAS, to show love for your neighbor, you do not celebrate sin or behavior that destroys the body and soul; and

WHEREAS, in showing love and being consistent in a sincere faith in God, Pastors, Counselors, Therapists and faithful Christians desire to help people in recovery from all forms of sexual sin and distorted thinking and mental illness in identity conflicts; and

WHEREAS, all human beings are created equal under the law and in the eyes of God, but not all behaviors are moral or acceptable; and

WHEREAS, race is genetic and immutable, but sexual behavior and gender rebellion are by choice. Therefore, such immoral behavior is not a civil right; and

WHEREAS, there is no gay gene; therefore, homosexuality is a behavioral choice; and

WHEREAS, since it is fact that people do change and find lasting freedom from LGBTQ+ behaviors, identifies and belief systems, we must stop laws banning people of any age from getting the necessary help, counseling, therapy and medical assistance they need to promote godly and healthy living; and

WHEREAS, the National Gay Rights Platform in 1972 advocated the elimination of age of consent laws and legalize adult sex with children; and

WHEREAS, American gay rights "hero" Harvey Milk was, based on sympathetic journalistic accounts, a sex predator who practiced man-boy sex, while another "gay" icon, Harry Hay, openly advocated in behalf of the pro-pederasty group NAMBLA (North American Man/Boy Love Association); and

WHEREAS, since a large proportion of adult gay men were molested or victimized homosexuality as children, the result is inordinate confusion about and even sympathy for sexual contact between men and pubescent boys in LGBTQ circles. Says one gay rights activist, Milo Yiannopoulos, "In the gay world, some of the

most important enriching, and incredibly life affirming, important, shaping relationships are between younger boys and older men. They can be hugely positive experiences very often for those young boys.” (<https://nypost.com/2017/02/20/breitbart-editor-dropped-from-conservative-conference-for-condoning-pedophilia/>)

WHEREAS, very young children are now being corrupted and sexualized through "LGBTQ pride" events like "gay pride "parades and "Drag Queen Story Hours" in public libraries; and

WHEREAS, current transgender book readers at public libraries admit to recruiting and grooming young boys; and

WHEREAS, it is child abuse to defy biological science and provide hormone blockers to minors and/or surgically mutilate the body of a healthy minor; and

WHEREAS, current Hollywood movies routinely promote homosexuality, extreme gender confusion (transgenderism), pornography, rampant promiscuity, fornication, vulgarity, and even sex between grown men and teenage boys ("Call Me by Your Name," 2017); and

WHEREAS, social justice does not guarantee equal outcomes, but is the Equitable Application of God's Moral Law on Society; and

WHEREAS, it is the duty of every parent, leader, pastor, counselor, doctor and therapist to protect minors from harm, especially sexual abuse in the grooming of our youth to embrace an LGBTQ+ lifestyle in banning counseling and therapy in gay is the only way bills and legislation in banning what many call conversion therapy in stopping parental rights, self-determination, freedom of choice, freedom of religion and freedom of speech; and

WHEREAS, Martin Luther King emphasized the importance of character; and

WHEREAS, It is Religion and Morality alone, which can establish the Principles upon which Freedom can securely stand (John Adams); and

WHEREAS, We have no government armed with power capable of contending with human passions unbridled by Religion and Morality (John Adams); and

WHEREAS, Our Constitution was made only for a Moral and Religious people (John Adams); and

WHEREAS, Freedom is not a gift bestowed upon us by other men, but a right that belongs to us by the laws of God (Benjamin Franklin); and

WHEREAS, Whether any free government can be permanent, where the public worship of God, and the support of Religion, constitute no part of the policy or duty of the state (Joseph Story); and

WHEREAS, We hold sacred the rights of conscience, and promise to the people...the free and undisturbed exercise of their religion (Roger Sherman); and

WHEREAS, When you ...exercise the right of voting for public officers, let it be impressed upon your mind that God commands you to choose just men who will rule in the fear of God (Noah Webster); and

WHEREAS, The principles of genuine Liberty and of wise laws and administrations are to be drawn from the Bible (Noah Webster); and

WHEREAS, alarmed that the Government of the United States of America is forsaking the rich Christian heritage upon which it was built and has flourished; and

WHEREAS, this nation has become a world leader in promoting abortion, pornography, same-sex "marriage," sex trafficking, illegitimate births, child abuse, and many other forms of debauchery; and

WHEREAS, many members of the United States Congress disregard the biblical admonitions to live clean and pure lives by desiring to proclaim an immoral behavior as a civil right; and

WHEREAS, many members of Congress are ignoring the Constitutionally guaranteed right of religious liberty and are declaring war on Christianity declaring sexual immorality as a protected minority;

NOW THEREFORE, BE IT RESOLVED that we, the undersigned, religious leaders and citizens of the United States of America, appealing to the Supreme Judge of the world, solemnly declare that the HOPE of these United States, rests upon the Principles of Religion and Morality as put forth in the HOLY BIBLE; and

BE IT RESOLVED that we, the undersigned, believers in the One True God and His only Son, call upon all to join with us in recognizing that Blessed is the Nation whose God is the Lord, and humbly implore all who love Truth and Virtue to live above reproach in the sight of God and man with a firm reliance on the leadership and protection of Almighty God; and

BE IT RESOLVED that we, the undersigned, humbly call upon our Holy God, our Creator, Sustainer, and Redeemer, to have mercy on this nation, to stay His hand of judgment, and grant a national awakening of righteousness and Christian renewal as we repent of our great sin.

BE IT RESOLVED that we, the undersigned call on Congress to reject this insult to true civil rights heroes and affront to Christianity and discard the proposed amendment to the Civil Rights Act which would create a protected class for homosexuals, identity confused and pedophiles.

The Pink Swastika – **How Homosexuals invented and ran Hitler's Nazi Party –** **AND how this relates to Traverse City Area Same-Sex-Attracted** **Individuals and their so-called "Allies"** (06/27/18 – version 03)

Emmy Lou Cholak kindly greeting Bill Wiesner on 03/19/18 after receiving her Sarah Hardy Award

Emmy Lou Cholak kindly shaking my (Bill Wiesner – www.TCFamily.org Founder) hand as I held my "Fake LGBTQ Movement sign" in the City Council Chambers while the Sarah Hardy Awards were being given out. I responded to her kind greeting by saying that she has always been super sweet to me.

Just before greeting me she had spoken before the City Commission and shared this: "... Some of you may remember the threat of a skinhead conference on the 4th of July Celebration back in the 90's. Hate-Free-TC was founded to counter that threat ... to help keep our city ... hate-free and open accepting of all people."

Skinhead | Definition of Skinhead by Merriam-Webster
<https://www.merriam-webster.com/dictionary/skinhead>

Definition of skinhead. 1 : a person whose hair is cut very short.
 2 : a usually white male belonging to any of various sometimes violent youth gangs whose members have close-shaven hair and often espouse white-supremacist beliefs.

I agree with Emmy Lou when she expresses concern about violent people who may espouse white-supremacist beliefs. But the next time I see her I will ask her if she knows about the group led by white supremacists Homosexuals that were responsible for murdering over 6 million of her fellow Jewish brothers and sisters.

Dr. Scott Lively and Kevin Abrams worked together to write "The Pink Swastika: Homosexuality in the Nazi Party." On p 8 of the 4th edition, they share that the **THESIS** of this book is:

"How Homosexuals invented and ran the Nazi Party."

Johann Hari, who describes himself as "a gay left-wing man," wrote an article published in the Huffington Post entitled: [The Strange, Strange Story of the Gay Fascists](#)." (Updated May 25, 2011)

Dr. Scott Lively responded to this article with his own entitled: ["The strange, strange story of 'gay fascism' deniers."](#) (WND 08/27/12) where he shares quotes and comments on the Hari article, saying:

* "Hari's recitation of the facts about homo-fascism in history (as well as those of other "gay" sources) have an especially high degree of trustworthiness. They fall within a category of testimony that our judicial system calls "admissions against interest."

*Homosexualists can be expected to insult pro-family conservatives, and one rightly suspects their opinions of being biased. But when a

died-in-the-wool "gay" activist writer like Hari tells you that "gay men have been at the heart of every major fascist movement that ever was," and "all the most high-profile fascists in Europe in the past 30 years [except LePen] have been gay," you can take it to the bank."

* Lively continues: What I find most interesting about Hari's article is that it has garnered virtually no opposition. The few comments on the HuffPo page are mostly benign, and if you do a search on Hari's name you find not a single suggestion that his article constitutes "Holocaust revisionism" or that he, himself, is a "homophobic bigot." That's very strange, because I've been called both a revisionist and a bigot for writing ["The Pink Swastika."](#)

Bryan Fischer, Host of Focal Point Radio, also quotes and comments on the Hari article with his own (10/21/12) article with the same title: ["The strange, strange story of the gay fascists \[revisited\] By Bryan Fischer."](#)

* Says Hari, "The twisted truth is that gay men have been at the heart of every major fascist movement that ever was — including the gay-gassing, homo-cidal Third Reich."

* Here is a homosexual who says in the third paragraph of his 3,480 word article that "gay men" were "at the heart...of the...Third Reich."

* Hari, by the way, uses the term "Gaystapo," which I will freely borrow from him with attribution for the rest of my life.

* The "icon to revere" for the Gaystapo is the flamboyantly gay Ernst Rohm. Hari calls him, along with Adolf Hitler, "the founding father of Nazism."

* According to Hari, Rohm "believed that gay people were superior to straights, and saw homosexuality as a key principle of his proposed Brave New Fascist Order." Gulp.

* Rohm ... He flaunted his homosexuality in public and insisted his cronies do the same. He believed straight people weren't as adept at bullying and aggression as homosexuals, so homosexuality was given a high premium in the SA."

* Thus, says Hari, "In its early years, the SA — Hitler and Rohm's underground army — was seen as predominantly gay."

* He quotes homosexual art historian Christian Isermayer, a contemporary of Rohm and Hitler: "I got to know people in the SA. They used to throw riotous parties even in 1933... I once attended one. It was quite well-behaved but thoroughly gay. But then, in those days, the SA was ultra-gay."

* It is Machtan's [German historian Lothar Machtan] well-documented contention that Hitler himself was homosexual, and that he had Rohm assassinated during the infamous "Night of the Long Knives" in 1934, not because Rohm was gay, but because he feared Rohm was about to out him to the German people. Hari agrees: "Hitler's main reason for killing Rohm was unrelated to his sexuality."

Nazi youth protesting in front of the **Sex Research Institute in Berlin** May 6, 1933. Later that same day **Storm Troopers looted the facility** and captured its files and records.

Then on May 10, 1933 **the incriminating records of the Sex Research Institute are burned in a public ceremony** along with books and other literature deemed subversive to German society.

Scott Lively wrote, ... Consider this incredible statement by Ludwig Lenz, the "gay" assistant director of the Berlin Institute of Sexology (headquarters of Germany's "gay" movement in the 1920s and early '30s) following the attack on the Institute by Nazi Brownshirts May 6, 1933: "Why was it then, since we were completely non-party, that our purely scientific Institute was the first victim which fell to the new regime? The answer to this is simple **...We knew too much.** It would be against medical principles to provide a list of the **Nazi leaders and their perversions [but] ... not 10 percent of the men who, in 1933, took the fate of Germany into their hands, were sexually normal.** ... Our knowledge of such intimate secrets regarding members of the **Nazi Party** and other documentary material – **we possessed about forty thousand confessions and biographical letters** – **was the cause of the complete and utter destruction of the Institute of Sexology.**"

THE PINK SWASTIKA: HIJACKING THE HOLOCAUST is an article written by **Judith Reisman.** These photos show Hitler and his **Jewish Chaufferer Emil Maurice** and other friends. **Reisman says, "Now that Lothar Machtan, a reputable German historian, confirmed Hitler's homosexuality, it is highly likely that Maurice was indeed one of Hitler's lovers."**

Hitler's bodyguards and closest friends were homosexuals:

Hitler's personal bodyguards were homosexuals

Hitler Youth leader Baldur von Schirach was known as **"The Baby"** by the Nazi inner circle of pederasts. In 1934, the Gestapo reported forty cases of pederasty in just one Hitler Youth troop.

Below, see **Magnus Hirschfeld** who started the **"Scientific Humanitarian Committee"** to try to help **legalize homosexual behavior.** He was a **"Femme (Feminine)";** and **Adolf Brand** founded the **"Community of the Elite."** He was a **"Butch" (Masculine).** They had

Adolf Brand and the "Community of the Elite"
One of the earliest leaders of the masculine homosexual counter-movement in Germany, himself a Hellenist, was Adolf Brand. In 1896, one year before Magnus Hirschfeld formed the Scientific-Humanitarian Committee, young Adolf Brand began publishing the world's first homosexual serial publication, *Der Eigene* ("The Elite").

opposing viewpoints. It was the butches who were leading the Nazi Party; it was mostly **Femes** (and only **6,000 – 15,000** compared to over 6 million **Jews**) who were killed in the holocaust **by the Butch homosexuals leading the Nazi Party.**

So how this relates to Traverse City Area Same-Sex-Attracted Individuals and their so-called "Allies"? Earlier, "gay left wing man" Johann Hari reported that "that **"gay men have been at the heart of every major fascist movement that ever was,"** including during **Hitler's WWII** and the last 30 years in Europe.

But surely this doesn't apply to Traverse City and America today, or does it? To find out the answer simply click on or google **"300 EXAMPLES YOU HAVE TO READ TO UNDERSTAND THE TERM 'HOMOFASCISM'"**, all recent links provided by ex-'gay' Robert Lopez.

Then ask yourself: **Is this the Traverse City and America that I want misleading and endangering and silencing my children – and misleading themselves?**

Dr. Lively has shared that in its most basic sense, the cultural struggle that we are currently in is: Homosexuality against Christianity – or Homosexual sexual freedom = sexual license = sexual anarchy versus Judeo-Christian "one flesh" paradigm of one man and one woman marriage for life. This Hellenism sculpture that Hitler is showing (promoting?) to Italy's Mussolini demonstrates homosexual **"sexual freedom."**

In his book **"Saving Truth", Abdu Murray** talks of **"negative freedom" (freedom from interference and constraint, which dangerously resembles sheer autonomy that leads to chaos) AND "positive freedom" (freedom for—in essence, freedom for excellence according to whatever vision and ideals define that excellence.)** **Negative and positive freedom go hand in hand.** He continues, "In other words, positive freedom is the ability to do not just what we want, but what we should. He also shares that **we live in a Post-truth culture** where **"... certain things are true, but we don't care about the truth if it gets in the way of our personal preferences."**

In the last year our **homosexual Mayor Jim Carruthers** has **admirably stood up against underage drinking, smoking, and opioid use, saying it is the adult's responsibility to protect these children.** Mayor Carruthers should also stand up and **discourage all high risk homosexual behavior to children.**

Our **TCAPS BOE** just passed a **"Comprehensive Sex Ed"** curriculum that says it is **"abstinence-based"**, but only promotes **abstinence 5% of the time versus 70% for authentic abstinence programs; AND it says "gay" sex is no different than heterosexual sex, even though it is 44 times more likely to cause HIV.**

TCFamily.org encourages WTCM Radio, Local Boy Scout Troops to Stand with the Judeo-Christian Marriage-and-Family-Centered Heterosexuality against LGBTQ Activist Hellenic Homoeroticism (ver 3.1)

(Updated June 7, 2018 -- Written and Distributed in Traverse City, MI Area by TCFamily.org Founder Bill Wiesner)

According to what was shared in the 5 hours of the 2015 WTCM Radio Boy Scout Telethon, WTCM Radio announcer **Ron Jolly** started the WTCM Boy Scout Telethon Fundraiser way back in 2003 when the Boy Scouts lost various sources of funding.

We at www.TCFamily.org applaud both Ron Jolly and the Boy Scouts of America decades of successfully fighting against Homosexual activists who tried every method they could think of to force the Boy Scouts to allow same-sex-attracted boys to be Boy Scouts and homosexuals to become Boy Scout Leaders. One of those methods was to encourage corporations to stop donating money to the Boy Scouts.

And the homosexual activists' continual ruthless pressure finally worked. On May 23, 2013, the Boy Scouts finally fell and chose to allow openly homosexual boys into the Boy Scouts.

(TCFamily agrees with the Founder of <http://www.traillifeusa.com/> who I heard in a radio interview say that they gladly allow boys discretely struggling with same-sex-attraction (SSA) because they need the positive attention and encouragement of Godly men in their lives. However the inclusion of boys who openly identify as homosexuals would be promoting harmful homosexual behavior.)

However, once the proverbial cat (of "SEXUAL ORIENTATION") is out of the bag, everything else proposed by the **SEXUAL ANARCHY WILDFIRE of LGBTQ Activists** – like this insane "TRANSGENDER" Bathroom Bill – must automatically follow.

Christal Frost had great advice regarding the "If you see something, say something" campaign.

"One thing that I wanted to leave our listeners with today is that **if you suspect abuse or neglect – sexual abuse, physical abuse – with children in your life**, and it could be anyone from a family member to a neighbor, to a situation like the Terpins where something just doesn't feel right there; sometimes people think, I have to have evidence before I can call **child protective services**, and that's not the case. If you have something – maybe you see something and just say, it doesn't feel right,

I mean, we have this entire national push of: **"See Something, Say Something."** when it comes to our own safety and anti-terrorism. But when it comes to children people go, *Qooh*. I don't want to, I don't want to say something because I might be wrong ..."

Dr. Scott Lively for Governor of Massachusetts

Dr. Scott Lively – who is currently running for Governor of Massachusetts and recently got 28% of the vote at their state

convention – said when he spoke in Traverse City last summer: to simplify the cultural struggle that is going on, it's **the Homosexuals against the Christians.**

In Dr. Lively's book **"The Pink Swastika: Homosexuality in the Nazi Party (5th Edition)**, which you can read online for free at www.ScottLively.net/tps, it shows on page 17 a picture of **Hitler and Mussolini admiring 2 homosexual Greek warriors, with the captions explaining what the real struggle is all about:**

The Clash of Cultures

A key to understanding the cause of the German social collapse, which culminated in the atrocities of the Third Reich, is found in the conflict of Hellenic and Hebrew (Judeo-Christian) value systems. This war of philosophies, as old as Western civilization itself, pits the homoeroticism of the Greeks against the marriage-and-family-centered heterosexuality of the Jews. Johansson and Percy write of this conflict from the homosexualist perspective:

While the Greeks cultivated *paiderasteia* [pederasty] as a fundamental institution of male society and attribute of gods and heroes, in two centuries, under Persian rule (538 – 332 B.C.) Biblical Judaism came to reject and penalize male homosexuality in all forms. Jewish religious consciousness deeply internalized this taboo, which became a distinctive feature of Judaic sexual morality, setting the worshippers of the god of Israel apart from the gentiles whose idols they despised. This divergence set the stage for the **confrontation between Judaism and Hellenism** (Johansson and Percy:34).⁴¹

[Excerpt ... The Pink Swastika page 17 (5th Edition)]

The following insert from **The Pink Swastika** page 33 shows the harm caused by homosexual leaders of the WWII German equivalent to the Boy Scouts:

Baldur Von Schirach and the Hitler Youth

Indeed, not only did the grown-up former members of the *Wandervogel* become one of Hitler's main sources of supporters in his rise to power, but the movement itself became the core of a Nazi institution: the *Hitler-Jugend* (Hitler Youth).

So rampant had homosexuality become in the movement by this time that *The Rheinische Zeitung*, a prominent German newspaper, warned, "Parents, protect your sons from 'physical preparations' in the Hitler Youth," a sarcastic reference to problems of homosexuality in the organization (Burleigh and Wipperman:188).⁵³

Sadly, the boys themselves had by this time been completely indoctrinated by their homosexual masters.

Hans Peter Bleuel, in *Sex and Society in Nazi Germany*, points out that **most of the adult supervisors of the Hitler Youth were also SA officers (who were almost exclusively homosexual)**. Rector states that Baldur von Schirach, leader of the Hitler Youth organization, was reportedly bisexual (Rector:56). In *Germany's National Vice*, Jewish historian Samuel Igra confirms this, saying **Schirach was arrested by the police for perverse sexual practices and liberated on the intervention of Hitler, who soon afterward made him leader of the Hitler Youth** (Igra:72). Igra further states that Schirach was known as "the baby" among the inner pederast clique around Hitler (ibid.:74).

... In 1934, the Gestapo reported forty cases of pederasty in just one troop of the Hitler Youth.

Hitler Youth leader Baldur von Schirach was known as "The Baby" by the Nazi inner circle of pederasts.

We encourage both Ron and Christal to "see something and say something" about these disastrous happenings from WWII and how similar situations might affect the American Boy Scouts today.

Let's take a look now at the Boy Scout Law:

Boy Scout Law

A Scout is:

Trustworthy	Obedient
Loyal	Cheerful
Helpful	Thrifty
Friendly	Brave
Courteous	Clean
Kind	and Reverent

If you look at the Boy Scout Law above, the **SEXUAL ANARCHY WILDFIRE** promoting **LGBTQ Activists** break the following Laws: **TRUSTWORTHY** and **LOYAL**: they discard the foundational truths of the Boy Scouts; **OBEDIENT**: not to God's laws; **BRAVE**: for decades they were, but the leadership finally caved under pressure, setting a terrible example for the young Boy Scouts; **CLEAN**: along with pornography-viewing, fornication, adultery, homosexual behavior is not morally clean; and **REVERENT**: One who is reverent reveres God's word, which speaks against all sexual immorality. **Plus they are also breaking the BOY SCOUT OATH OR PROMISE to be "morally straight."**

Also, the **Official Boy Scout Handbook** once explained the meaning of "morally straight" in the **Boy Scout Oath** in these terms:

"[W]hen you live up to the trust of fatherhood your sex life will fit into God's wonderful plan of creation. Fuller understanding of wholesome sex behavior can bring you lifelong happiness." If the Boy Scouts are really saying it is good to be "morally straight", then **how can they at the same time be promoting homosexual behavior?**

Boy Scouts to make condoms 'readily and easily accessible' at upcoming global gathering (24th World Scout Jamboree Sunday, July 21, 2019 – August 1, 2019): **May 22, 2018 Excerpts: "Host Organization must ensure that condoms are readily and easily accessible for all participants and ... at a number of locations on the site," ...**

The guidelines also allow for **alcohol consumption in "confined areas."** Florida Family Policy Council (FFPC) president John Stemberger, who is also chairman of the board for Christian scouting alternative Trail Life USA, said that these "deeply disturbing" changes make the event "sound more like a 1960s Woodstock festival rather than a campout that parents would want to send their children to."

"These policies present a clear youth protection problem that the BSA absolutely refuses to recognize," Stemberger continued. **"The fact that they are requiring that condoms be 'readily accessible' and are communicating this to everyone—including youth participants—shows that the BSA is both anticipating and facilitating sexual conduct between minors at this event."**

"If you see something, Say something;" Should not the Boy Scout Telethon address this issue?

And what's coming up next for the Boy Scouts? This picture is of **Harry Hay**, who is known as the **Father of the Homosexual Movement in America**. This photo shows him in a parade wearing a shirt that reads: **"NAMBLA Walks With Me,"** referring to the **"North American Man-Boy Love Association."** The following excerpts are from a letter written in 1992 (included in Chapter 9 of The Pink Swastika) **from NAMBLA to the leader of the Boy Scouts:**

"... NAMBLA calls on the Boy Scouts of America to cease its discrimination against openly gay or lesbian persons in the appointment of its scout masters. **... We recognize, of course, the action we call is inevitable.** ... We share a common mission – to bring greater understanding and light and purpose to the young as they grow. **We invite you to join with us in cherishing individual integrity, and in seeking the opportunity for every boy and girl in our country to find their own truth.** We encourage you to help **every person associated with your organization to be able to express those values for themselves** which to them represent for themselves the Good, the True, and the Beautiful. As we work together toward these ends Light will guide our way..."

This reminds me of **May 2018 TCAPS Sex-Ed Curriculum:**

1:31:18 **Associate Superintendent Jame McCall:**
"I think I can answer that Deb [Pritchard ... in charge of the Sex Ed Committee]. **It's an abstinence-based curriculum; abstinence-based.** So what it's trying to relate is **abstain, period. Abstain.** It's not promoting. **It's abstinence-based, for everyone, regardless; abstinence-based.**"
[21 seconds; 12 words precisely related to "abstinence" out of 24 total words, all of which are promoting "abstinence".]

TCAPS-Like Abstinence-Plus Sex-Ed Curriculums on the average teach "Abstinence" 4.75 % of their class time, while Authentic Abstinence Curriculums (which includes "Healthy Relationships and Benefits of Marriage", teaches Abstinence 71.1 % of their instruction. See the following quotes:

"Abstinence Is For Everyone: It's not about whether you are straight (heterosexual) or gay, lesbian, bisexual, or transgender. Abstinence is an equal opportunity behavior. **Anyone, at any time, can make a conscious choice or a spur of the moment decision not to have sex. That decision is yours** and only yours. **It's your right to make the decision every time,** throughout your whole life.

Abstinence Is a Thoughtful Choice Reflecting Personal Values: Each person decides when and with whom he or she wants to be sexual and when and with whom he or she wants to practice abstinence. Decisions are based on personal values about relationships, religion, life goals, family, health, skills and talents, safety, and more."

For one thing, **NOWHERE in their 57 page handout do they mention that MALE HOMOSEXUAL SEX IS 40 TIMES MORE LIKELY TO PRODUCE HIV** than is heterosexual sex. And it sounds a lot more like **training in selective promiscuity** rather than legitimate abstinence. **We encourage TCAPS to rethink and quickly correct this policy that endangers our children.**

WTCM Ron & Christal and Local Boy Scout Leaders, please decide which is best for the Traverse City children – Judeo-Christian morality or LGBTQ-Hellenistic "sexual freedom," and then stand up and fight for it!

Sincerely,

The Traverse City Human Rights Commission (HRC) & Friends – Promoting the Fake LGBTQ Movement at the 2018 Martin Luther King Jr Day Event

(Written and Distributed in Traverse City, MI Area by Bill Wiesner (TCFamily.org) (Version 02 dated 2018-02-19)

My premise in writing this flyer is to show how the **Traverse City Human Rights Commission** – along with its like-minded allies – heavily promote homosexuality in our community, and how they specifically use the noble Martin Luther King Day event to do so.

I attended the January 8, 2018 **Traverse City Human Rights Commission (HRC) Meeting** where I saw several of the Commissioners looking at the ad which was placed in the Northern Express advertising the **upcoming MLK Day event at the State Theatre**. In part the short ad stated that the event would include: "...inspiration from local faith leader **Chava Bahle**."

I remember **Mrs. Bahle (then named Rabbi Stacie Fine)** spoke at the so-called "**Diversity Weeks**" held at Traverse City Central High School for 3 years from 2001 to 2003. These talks in large part were used to promote homosexuality to the high schoolers. Here is a partial transcript:

Rabbi Staci Fine's Diversity Week 2002 Talk at TC Central High School (Excerpts)

... The question is, "Can you be kind to the kids who nobody likes?" Um, I was one of them. And I remember people both ways. I'll remember when I go to my high school reunion this stuff. I'll remember people who showed me even a small kindness. My Dad ... just went to his 50th high school reunion ... and there was a kid in his class, um, who was gay. And, I don't think it was, I don't think that they called it that among his comrades, but the kid was gay. And the people of my Dad's class, many of them beat this guy to a pulp on a regular basis. They just beat him up a lot. And it was interesting to me that the guy came up to my Dad. My Dad, it's hard to think now because he's 70 and he's my Dad, but apparently he pretty hip, cool kind of fellow ... and very popular, the captain of the basketball team, and all kinds of cool stuff. And what was interesting to me was this, he told me that this guy who was in his class who is gay ... came over to my

Dad at the reunion and said, "I remember you and your friends because you were the only people who were nice to me."

We are in one of two categories: either we are allies to diversity or we are competing ...
.] If you are not part of the solution, you are certainly part of the problem.

Chava Bailey went on with the high schoolers to say:

"... We are in one of two categories: either we are allies to diversity or we are competing. Um, the reality is that if you are not part of the solution ... [Note: could not clearly understand next 3 seconds.] If you are not part of the solution, you are certainly part of the problem. Now I believe that most of us are not out actively promoting, um, hate speech and hatred and discrimination and bigotry. But the reality is the vast majority of us are standing somewhere in the middle of the Bell Curve ... **Collusion in this field is defined as cooperation in reinforcing stereotypical attitudes, behaviors, and norms.** When we keep colluding we are one of three labels: [1] Either we just say nothing ... [2] Another way it's often colluded is by denying it: "Oh, it's not that big a deal." "They didn't really mean it." ... [and 3] The third type of collusion obviously is active participation ..."

You might be surprised that I would agree with Mrs. Bailey in all three of her collusion points:

#1 ... that we should not collude by ignoring anyone who is being bullied;

#2 ... that we should not say that anyone getting bullied is not a problem; and

#3 ... that we should never be bullies ourselves.

However, we do disagree here, when she states:

"Collusion in this field is defined as cooperation in reinforcing stereotypical attitudes, behaviors, and norms."

In effect I believe that she is saying that anyone who disagrees that homosexuality is normal and healthy and to be celebrated is "colluding" in a sense that is harmful and hateful in our society.

[Added NOTE: Rabbi Bahle was under the weather and could not attend; However TCFamily handed out 70 sets of the 4 recent flyers, including to the inspirational "**The Blessed Hearts**" Gospel Singers]

Dr. Scott Lively

But just consider what world renowned expert in the field of the LGBTQ Movement **Dr. Lively** shares about the history of the "gay" movement, and

specifically the origin the modern day **Traverse City "Human Rights Commission."** (This excerpt is taken from his revealing "**Hollywood Chickenhawk Scandal Part One**" article:

"Consider just a few salient facts documented in **The Pink Swastika: Homosexuality in the Nazi Party** and on my blog www.scottlively.net:

The German "Grandfather of Gay Rights," Karl Heinrich Ulrichs, was molested at 14 by his riding instructor and went on to form the world's first "gay rights" organization in the 1860s.

The first characterization of homosexual sodomy as a "human right" was **by the German Society for Human Rights** in the 1920s, whose most famous member was Hitler's "gay" second-in-command Ernst Roehm (head of the Brown Shirts). Munich police records identified **at least 11 boys recruited from a local high school for sex with Roehm** – according to journalist Heinz Hoene's book, *The Order of the Death's Head*, (called a "Monumental Achievement" by The New York Times).

The first American homosexual organization was the US chapter of Roehm's Society for Human Rights, started in Chicago in 1924 by Henry Gerber and two other men, all of whom **were arrested shortly thereafter for sex with teen boys.**

One of those abused boys, as an adult, molested another teen boy named **Harry Hay**, who is known today as the **"Father of the American Gay Rights Movement."** Till his death, Hay was an outspoken advocate for Man/Boy sex and wore a sweatshirt reading **"NAMBLA Walks With Me" in Gay**

Pride Parades after the pederast group had been banned by the marketing gurus who took over the “gay” movement.

The Stonewall Riots that are commemorated each year as **“Gay Pride Day”** were triggered by “gay” male patrons of the Stonewall Bar in New York City, angered at police efforts to arrest a **14-year-old boy transvestite prostitute** (Mark Pascal, *Varieties of Man Boy Love*).

Many early “gay” activists were open pederasts, including NAMBLA founder **David Thorstad**, who also launched the Gay Activist Alliance in 1969, which spawned – directly or indirectly – innumerable LGBT activist organizations, including today’s political behemoth the Washington DC Based **Human Rights Campaign – HRC** (which named me public enemy #1 of the global LGBT agenda in 2014).

HRC’s founder was Terrance “Terry” Bean, an Obama fundraising bundler **accused of sex with a teen boy** in 2014 but who escaped prosecution when (after a public monetary settlement offer) the boy (who had been in hiding at the time) declined to testify. [https://en.wikipedia.org/wiki/Terry_Bean ...](https://en.wikipedia.org/wiki/Terry_Bean...)

So I would ask **Rabbi Bailey** and everyone on the **HRC** if this is the history of the “gay” movement, then should we be promoting it to the 10,000 TCAPS Kindergarten children – 12th grade young adults, or should we rightly be discouraging this high risk behavior, at the same time sharing love and truth with those struggling with same sex attraction?

Our Mayor Jim Carruthers is a self-identified homosexual, and recently he was one of many others who nominated **Emmy Lou Cholak** for the **Sarah Hardy Award**, because in part she has been on the front lines of “the LGBT Rights Movement.”

Also, our **City Clerk Benjamin Marentette is a self-identified homosexual** who nominated **Jen Cameron** because of her organizing: **Transgender Day of Remembrance, UpNorth Pride Parade and Rally; Loud and Proud Block Party; Pride at the Playhouse; and Pride Ride with Norte**, among other things.

Jenn Cameron had the police escort me out of a public **“Polestar North” town hall meeting where the entire community was invited**; said that I was the only one who could not speak at the **“From Selma to Stonewall” movie screening**; and stepped on my heel to try to stop me from handing out

our “Fake LGBTQ Movement” flyer at the **“Gay Pride week” picnic** at the public Clinch Park (a policeman talked to her to encourage her to stop her harassment.) **Both Emmy Lou Cholak (8:0) & Jenn Cameron (6:2) were voted in to share the 2018 Sarah Hardy Award.** (TCFamily will be speaking and handing out the 4 attached flyers at their award night at the (March 5th ?) City Commission Meeting.)

All of God’s laws are there to protect us, like it’s better to be restricted by a **fence** at the top of a cliff than to need an **ambulance** at the bottom.

In closing, especially for our **Jewish friends Rabbi Chava and Emmy Lou Cholak**, consider **Isaiah 53** from the Bible:

“3 He is despised and rejected by men,
A Man of sorrows and acquainted with grief,
And we hid, as it were, our faces from Him;
He was despised, and we did not esteem Him.

4 Surely He has borne our griefs
And carried our sorrows;
Yet we esteemed Him stricken,
Smitten by God, and afflicted.
5 But He was wounded for our transgressions,
He was bruised for our iniquities;
The chastisement for our peace was upon Him,
And by His stripes we are healed.
6 All we like sheep have gone astray;
We have turned, every one, to his own way;
And the Lord has laid on Him the iniquity of us all.

7 He was oppressed and He was afflicted,
Yet He opened not His mouth;
He was led as a lamb to the slaughter,
And as a sheep before its shearers is silent,
So He opened not His mouth.”

The Price for Sin is great, and Jesus paid that price. We all simply need to repent from our sins that He chose to lay down his life for, and trust in him for His gift of forgiveness and everlasting life. Find out how from a Jewish Christian, Ray Comfort, by Googling **“Why Christianity Tract”**.

Dr. Martin Luther King, Jr.

... Excerpts from a 1958 Advice Column in EBONY Magazine:

Civil rights icon saw homosexuality as a ‘culturally acquired’ ‘problem’ with a ‘solution’ [psychiatric counseling] – a “habit” stemming from a series of negative “experiences and circumstances.”

I would ask **Rabbi Bailey** and the **HRC** how they can possibly promote homosexual behavior on **Martin Luther King Day** when he compassionately shared that homosexuality was “a problem with a solution [psychiatric counseling]...”

David Pickup: Former homosexual and Licensed Marriage and Family Therapist gives a fascinating talk about **what most people don’t know about homosexuality**. Simply google **“Reparative therapy: How healing from homosexuality & change really works”** to watch his short 18 minute **compassionate and truthful talk**.

On the Traverse City HRC Website it states that:

An Open Letter to Olivia Newton John [ver-04]

... Written and will be distributed by Bill Wiesner from TCFamily.org to those attending the October 12, 2017 Traverse City Opera House Show entitled: "LIV ON: Olivia Newton-John, Beth Nielsen Chapman and Amy Sky"

Dear Olivia,

I read with interest the April 6, 2014 queerty interview, "[Olivia Newton-John Is Still The One We Want.](#)" The reporter asked: **Q:** "Have you ever been concerned about sharing your opinion about important issues like marriage equality ...?" And you responded: **ONJ:** "I might be a little nervous, but it doesn't stop me if it's correct ..." I admire your attitude a lot. And that's what we also try to do at www.TCFamily.org.

From reading various interviews that you have given, I see that you believe it is correct to have "gay marriage" in America and your native Australia, and I suppose everywhere.

And I believe "it is correct" that God Himself defined marriage as one man and one woman in [Genesis 2:24](#):

Both of us are seeking truth; the question is then not about personality or dedication, but rather, "what is truth?"

Please take a moment or two to reason with me. Your New Zealand born neighbor Ray Comfort wrote the movie: "AUDACITY: Love Can't Stay Silent"

(<http://www.audacitymovie.com/>). This movie shares how a Christian shares his faith with a homosexual because he has

great concern for him because he, like all men, is created in the image of God. The movie is concerned that an all Loving yet Holy and Righteous God must judge all sin, including the sin of homosexual behavior.

He also shares this in a way that made great sense to me in his booklet entitled: "[Why Christianity Tract?](#)" (Simply click on the pages below the booklet to read it for free online.) On

To say that there will be no consequences for breaking God's Law is to say that God is unjust, that He is evil.

This is why.

On February 24, 2005, a nine-year-old girl was reported missing from her home in Homosassa, Florida. Three weeks later, police discovered that she had been kidnapped, brutally raped, and then buried alive. **Little Jessica Lunsford** was found tied up, in a kneeling position, clutching a stuffed toy.

pages 5 and 6 he tells the story of "Little Jessica" to illustrate why God must judge sin:

Also, does not the horrific Las Vegas shooting spree show us also that if God is good that he must judge sin? And a God that is perfectly good must judge all of our sins too, even the "small" ones.

Also, in the Chicago Pride interview from August 6, 2012 ([Olivia Newton-John – Summer lovin'](#) ...), you said: "To me love is love. It shouldn't matter. I have so many close friends and family who are gay I don't even think about it."

But consider excerpt from an October 6, 2017 article by Michael Cook entitled: "[Love Is Love—or is it?](#)" (Photo of a hillside 'Love is Love' sign in Tasmania, where 'gay marriage' is up for a vote.)

"Intended or unintended, **"Love is Love" contains**

three dangers.

First, all types of love – *philia*, *agape* and *eros* – are reduced to the most debased form of *eros* – the satisfaction of sexual desire. This is just clapped-out Freudian psychology on steroids. If this confusion were to enter the education system, we can expect ghastly confusion. Children will be taught that lust has no limits and that there is nothing higher than sexual desire.

Second, the vacuous shibboleth of "love is love" is self-defeating. Under its banner we can fit the paedophile North American Man/Boy Love Association (NAMBLA), or sadomasochistic bondage, or incest or whatever. Does "marriage equality" really accept these as legitimate forms of love? If not, why not?

Third, it is a homeopathic dilution of *eros*. It undervalues erotic pleasure. Instead of pointing men and women towards self-transcendence, it reduces them to mere instruments of physical satisfaction.

Instead of hiding behind its inane slogan, doesn't the "marriage equality" movement owe us an explanation of what kind of love it has in mind?"

Also Olivia, please consider these compassionate prophetic excerpts (highlighting by TCFamily):

[Paul Johnson 'Monster in our Midst' Passage](#) Describes Homosexual Activist Slippery Slope in U.K.:

"The radical agenda ...with its strong appeal to the idealistic, as well as the materialistic, instincts of mankind, especially among young people, does constitute an alternative religion. Like any other form of humanism, it replaces God by man, and the welfare – or supposed welfare – of man, rather than the worship of God and obedience to his commandments, as the object of human existence and the purpose of society. That, of course, is its defect ...

... Take, for instance, the issue of homosexuality, an important part of the sexual politics item. There were many of us, in the 1960s, who felt that there were grave practical and moral objections to the criminalisation of homosexuality, and who therefore supported, as happened in most Western countries, changes in the law which meant that certain forms of homosexual behavior ceased to be unlawful. Homosexuality itself was still to be publicly regarded by society, let alone by the churches, as a great moral evil, but men who engaged in it, within strictly defined limits, would no longer be sent to prison. We believed this change to be the maximum homosexuals deserved or could reasonably expect.

We were proved totally mistaken. Decriminalisation made it possible for homosexuals to organise openly into a powerful lobby, and it thus became a mere platform from which further demands were launched. Next followed demands for equality, in which homosexuality was officially placed on the same moral level as standard forms of sexuality, and dismissal of identified homosexuals from sensitive positions, for instance in schools, children's homes, etc., became progressively more difficult. This was followed in turn by demands not merely for equality but privilege: the appointment, for instance, of homosexual quotas in local government, the excision from school textbooks and curricula, and university courses, passages or books or authors they found objectionable, special rights to proselytise, and not least the privilege of special programmes to put forward their views – including the elimination of the remaining legal constraints – on radio and television. Thus we began by attempting to right what was felt an ancient injustice and we ended up with a monster in our midst, powerful and clamouring, flexing its muscles, threatening, vengeful and vindictive towards anyone who challenges its outrageous claims, and bent on making fundamental – and to most of us horrifying – changes to civilised patterns of sexual behavior.

Here indeed we have sexual politics in action. And, as with other alternatives to God, the result is not human happiness, but human misery. The homosexual community, as they now styled themselves, by their reckless promiscuity during the 1970s and 1980s, helped to spread among their members the fearful scourge of AIDS, a killer disease of a peculiarly horrible nature, for which there is no cure, and no immediate likelihood of a cure...."

Olivia, as you suggested, we look at the statement about the importance of acting on "what is correct," and this "Monster in our midst" article seems to point out what is the opposite – something that is incorrect.

Also, in your June 6, 2017 "Honestly Loved interview" published in the "gay" periodical 'Between the Lines', the interviewer Chris asked which one of your movies would a "gay" fan gush over, and you answered: Sordid Lives.

Here are excerpts from the Christian "Movie Guide" review of "Sordid Lives.":

"... Strong pagan worldview with strong feminist elements (including a contradictory double standard), strong pro-homosexual elements, strong political correctness, & a false depiction of Christianity that is antinomian; 86 obscenities (including some sexual language) & 20 mostly strong profanities plus some lewd gestures; some gunshots & threats, plus implied armed robbery which takes place off screen; implied fornication & adultery, female therapist propositions homosexual, cross-dressing patient, plus fully nude homosexuals embrace on stage in implied pornographic theatrical production; full male nudity in homosexual scene & upper female nudity; alcohol use & drunkenness; smoking & valium used in an unsafe manner; and, gossip, moral relativism, humiliation scenes where men are forced to put on bras & makeup, armed robbery not rebuked, character expresses admiration for pornographic homosexual play, movie sort of pokes fun of double amputee, & reparative therapy for homosexual sinners mocked in the worst way." They described it as being "Thoroughly Despicable" and gave it their lowest rating: -4.

Olivia, your 300 million dollar Cancer Center in Australia is wonderful effort by you and many others supporting your effort. You've personally stood up against this disorder to try to save as many lives as possible. Your successful effort is highly commendable. You are truly doing "what is correct"

We at TCFamily.org are also standing up for "what is correct." We've handed out about 8000 of our "Fake LGBTQ Movement" Flyers to shine the light of Truth about a Mighty God who sent His son to die on the cross for our sins. We cannot and should not "celebrate our sins" that our Savior Jesus died for.

Sincerely,

Bill Wiesner

FAKE SAFETY:

connected to those practicing homosexuality.

That's why we were at the Saturday April 29, 2017 "Gay" Prom at Traverse City's **Hotel Indigo** – to warn those 95 (9th – 12th grade) Traverse City Area attending teenagers (from the 5 surrounding counties) about the **Fake LGBTQ Movement** (see top two signs above) and the extreme health risks

I'm sure that Mr. Jenkins and the **area public school teachers** promoting this are **well-intentioned**, but promoting high risk behavior and the Fake LGBTQ Movement to teenagers **is functionally hateful**.

Evidence of this can be easily seen from the **600-page Mass Resistance 2017 book** entitled "**The Health Hazards of Homosexuality**". (See bottom right sign above), which links to **1800 hotlink documents** in the e-book version, and **has 99 pages of documentation footnotes**.

The **FOREWORD** to the book explains: "... **The medical community in the U.S.** (and around the world) has done extensive study on **homosexual health issues**. This book cites that information, from the **U.S. Centers for Disease Control and Prevention (CDC)**, **medical professional associations**, the **American Psychological and Psychiatric Associations**, the **Gay & Lesbian Medical Association**, the **Fenway Institute**, various **LGBT-friendly clinical guides**, and numerous research studies." Here are two of their **1800 documented health hazards**:

- "Among **adolescent males aged 13–19 years**, approximately **91%** of all diagnosed **HIV infections** are from **male-to-male sexual contact**."
- "A **Canadian homosexual advocacy group**, in its "**Human rights complaint** against the government of Canada" (2009), **states that gay/bisexual men lose 20 years** [of life]

Polestar North later identified the "**anonymous donor**" as **Jeff Jenkins**, and stated that his "donation made the evening possible."

Jenkins, a former Michigan resident, has been the long-time executive producer of "**Keeping Up With the Kardashians**" and currently is co-president of entertainment and development at the **Los Angeles-based Bunim-Murray Productions**.

Jenkins identifies as a "gay" man — and calls himself a "champion of LGBT rights."

WARNING: Description of homosexual perversion:

Excerpts from www.AmericansForTruth.com article entitled:

'Gay' Doctor, Stephen Goldstone: Anal Sex Like a 'Battering Ram' for which Your 'Sphincter Is No Match'

"... Can you handle the truth about homo-sex? Most people can't, because it is brutal (literally) and repulsive. Here is a quotation from **Dr. Stephen Goldstone, an open homosexual and author of *The Ins and Outs of Gay Sex***. Dr. Goldstone is an Assistant Clinical Professor of Surgery at **The Mount Sinai School of Medicine** and an expert on "gay men's health" and "anorectal disorders," according to the ("gay"-affirming) **Physicians Research**.

... Keep in mind that Goldstone is a 'sex positive' homosexuality advocate who dedicates his book to his [male] lover, Bruce." Also, it seems obvious but it needs to be said: **anal sex is also high-risk if practiced by heterosexuals ...**" Peter LaBarbera, AFTA

Dr. Goldstone writes:

"Just as your internal sphincter muscle involuntarily relaxes when feces enter your rectum, it involuntarily contracts when a penis or other object attempts to enter from the outside...An anal tear can occur during the initial phase of anal sex precisely because your partner pushes his penis through a closed sphincter. Think of his penis as a battering ram, one for which your internal sphincter is no match."

—Dr. Stephen Goldstone, *The Ins and Outs of Gay Sex: A Medical Handbook for Men*, (Dell: New York, 1999), p. 4.

FAKE "CIVIL RIGHTS":

Traverse City Police Chief Jeff O'Brien (see middle two street signs above) shared at the February 6, 2017 City Commission Meeting: **"I think the civil rights movement of the 21st century is the LGBTQ issues ..."** But we know that Civil Rights are: inborn, involuntary, immutable, innocuous, and "in the Constitution" -- ALL of which apply to race, but NONE of which apply to homosexual conduct.

Please also consider the **King of Civil Rights, Dr. Martin Luther King** only reported written thoughts about homosexuality, as recorded in a **compassionate letter to a man struggling with same sex attraction (SSA)** and published in 1958 in *Ebony Magazine* -- excerpts only:

"Civil rights icon saw homosexuality as a 'culturally acquired' 'problem' with a 'solution' [psychiatric counseling] -- a "habit" stemming from a series of negative "experiences and circumstances."

FAKE ALFRED KINSEY "Science":

Alfred Kinsey is known as the **"Father of the Sexual Revolution"**, but as an **"in the closet"** homosexual, he could also be seen as the **Father of the Homosexual Revolution**. Here are some quotes about Kinsey from **preeminent Kinsey whistleblower Dr. Judith Reisman** from her book: **"SEXUAL SABOTAGE: How one mad scientist unleashed a plague of corruption and contagion on America."**

- **87% of his subjects for his "scientific data" were:** sex-addicts, homosexuals, criminals, rapists, prostitutes, pedophiles, and prisoners!
- **Alfred Kinsey ... and his cult libeled our World War II warrior generation** in order to validate his own cowardly perversions by creating a "sexual revolution." (p5)
- Abundant evidence of **child sexual torture** by Kinsey's "researchers," who engaged in brutal, **sexual experiments on children.** (p24)
- [Go to www.TCFamily.org to read **40 more appalling facts** about Kinsey from just the first three chapters of her book (Search "Kinsey"); He's not a **"Father"** that I would want to be **"loud and proud"** about.]

FAKE "1973 APA Decision":

Ryan Sorba wrote "The Born 'Gay' Hoax" which **details the take-down of the APA**, when homosexuality was declassified as a disorder: here are some **excerpts** showing it was a **Fake Decision**:

- 'Gay' activist who helped in the takedown, Barbara Giddings, said: **"It never was a medical decision ... After all, it was only three years ... It was a political move ... That's how far we've come in ten years. Now we even have the American Psychiatric Association running scared."**

- Anytime a scientific organization endorses sodomy, remember Giddings words: They are **"running scared."** **Pro-sodomy activists have learned that intimidation and strategic alliances work, and they are never hesitant about using intimidation and psychological manipulation to reach the goals of their radical agenda.**

FAKE 'Gay' Manifesto Book: "AFTER THE BALL":

See the bottom-left Street Sign above showing **Propaganda and Emotions** (i.e. ~ Love is Love is Love) **rather than reason**, and thusly **promoting high-risk behavior** -- contrary to TCAPS' Board and Superintendent's claim that **SAFETY** is the #1 concern -- and the **FAKE LGBTQ Movement**, ultimately to the **TCAPS K-12 children and young adults**. [Read 62 details on "After the Ball" -- search for "Ball" at www.TCFamily.org.

FAKE "TOLERANCE":

Dr. Scott Lively says: It's a 5-Stage Process of "Cultural Conquest":

	5 STEPS TO CULTURAL CONQUEST:	DEFINITION:
1	Request for "Tolerance"	The Right to be left alone
2	Then Acceptance	An Equal Status
3	Then Celebration	Promote Homosexuality as a Good & Noble Behavior
4	Then "Forced Participation"	Everyone must Participate in "Gay" Culture
5	Then "Punishment of Dissenters" or DOMINANCE	Punishment of everyone who disagrees

Dr. Scott Lively has described the **LGBTQ process of conquering or dominating the culture**; Local example of LGBTQ Activists seeking

dominance: **The "Out and Proud" leader had me removed from a Polestar North "Town Hall" meeting** on May 24th, 2016, (where "gay" Mayor Jim Carruthers looked

on as Chief of Police Jeff Obrien escorted me out) just as soon as I arrived -- when the stated goal of the meeting was: **"The goal of the meeting is to welcome ANYONE to discuss the future plans for the center, ask questions and give feedback."**

FAKE LGBTQ Biblical "Allies":

They Have No Excuse
Romans 1:18-32

Romans 1:18-32 (God's Wrath on Unrighteousness) condemns many sins, including sexual sins as well as homosexual sins. **Moreover, Romans 1:32 judges those "so-called" LGBTQ "Allies" who are "smarter than God," saying: "...who, knowing the righteous judgment of God, that those who practice such things are deserving of death, not only do the same BUT ALSO APPROVE OF THOSE WHO PRACTICE THEM."**

Ex-'Gay' Verses
1 Corinthians 6:9-11

But 1Cor 6:11 gives great hope to those

struggling with same-sex attraction,

saying: "... And such were some of you. But you

were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God."

Compassionate Closing Insights: from **Abdu Murray**, who is the North American Director with **Ravi Zacharias International Ministries**. He spoke at **"Skeptics Night"** recently at **New Hope Community Church**. You can watch it here: <https://newhope.cc/messages/skeptics-night-abdu-murray/>

You will see a 3 minute **question regarding LGBTQ** asked by **Bill Wiesner** (in the public Q&A) and **Abdu's very compassionate 17 minute response**. (This question and answer starts at 1 hr 23 min and ends at 1 hr 43 min.)

The Myth of the LGBTQ Ally (ver-04)

(Written and Distributed in Traverse City, MI Area by TCFamily.org) (version 04_dated 2017-06-20)

An **"Ally"** defined by Merriam-Webster dictionary is **"A person or group that gives help to another person or group."** And a synonym of an **"ally"** is a **"friend."**

People self-identifying as **"LGBTQ"** (Lesbian-'Gay'-'Bisexual'-'Transgender'-'Questioning'-'Queer' ... etc.) often compare their movement to the civil rights movement of the 1960s, and they call out for **"LGBTQ Allies"** to come along side of them in their stated goals for **"equal rights"**.

Jesus said in Jn 8:32 that **"... The truth will set you free..."**, But are the self-identifying **"LGBTQ Allies"** really being true **"allies"** or true **"friends"** to someone self-identifying as **"LGBT"** by supporting or promoting their homosexual behavior if:

harmful physical, emotional, and/or sexual abuse. (or as Dr. Martin

Luther King stated in his 1958 advice column in Ebony magazine: **Civil rights icon saw homosexuality as a 'culturally acquired' 'problem' with a 'solution' [psychiatric counseling] – a 'habit' stemming from a series of negative 'experiences and circumstances.'**

Our position at www.TCFamily.org is that:

- Every person is created in the image of God, and is to be loved and respected as a person of extreme value.
- A true ally or friend to a self-identified **"LGBTQ"** person would **encourage only what is based on a good and true foundation in that person.** (Always encourage the individual, created in the image of God; but not **encourage the homosexual behavior** – or any other **sexual sin** such as **viewing pornography, fornication, and adultery** – which are all based on false foundations and **are harmful to those who practice them.**)
- There are only **two sides (Worldviews)** to consider in the current cultural debate on the topic of sex:

(1)

'The ideal is One Man – One Woman marriage, as God ordained it. It is like a campfire which is contained for safety, and provides heat and is beneficial for cooking.

(2) The alternative is **"Sexual Freedom" = "Sexual license" =**

"Sexual Anarchy", which includes **viewing pornography, fornication, adultery, homosexuality**, and everything else. These are like **an uncontained fire** and are all **harmful to those who practice them.**

[This ver-04 flyer (updated 06-20-17) will list evidence for our stated views, and will be updated beyond (ver-04) to accommodate new information.]

On Wednesday September 15th, **Michigan's State Board of Education voted 6 (Democrats) to 2 (Republicans) to allow "transgender" students "... to use restrooms and locker rooms consistent with their chosen gender identity."**

 Paul Soma, Superintendent somapa@tcaps.net 231.933.1700 3-1727	 Scott C. Hardy, Treasurer hardysc@tcaps.net 231.492.5898

not required to use them for any reason. TCAPS students have the right to use the bathroom of their choice."

Then in a September 16, 2016 Record Eagle article, Traverse City Area Public Schools (TCAPS) Superintendent Paul Soma said regarding the 10,000 TCAPS Kindergartners – 12th graders: **"Students are provided access to gender-neutral bathrooms and locker rooms but are**

If this concerns you, please contact the Superintendent and School Board. Realize that TCAPS's stated #1 Goal is to insure the safety and well-being of the children.

When **Dr. Scott Lively** [www.ScottLively.net] (and expert on the homosexual activist movement around the world) spoke in Traverse City in 2015, he said that **one of the main rules in warfare** – which is exactly what we are in, as adults with a personal agendas are promoting homosexuality to our children – is that **you always protect your home turf.**

And **Linda Harvey**, President of Mission America (<http://www.missionamerica.com/>) (who used to be a liberal LGBT and Planned Parenthood supporter until she saw how they were going after the children) said the following: **"... You stand up for your boys is what you do, and girls; you don't do this!"** (I would add – you don't let THEM do this, no matter how well-intentioned they might be.)

(This Transgender Bathroom ruling is supposedly based on the 1973 Title 7 Civil rights law saying that there should be no discrimination based on **"sex,"** which meant to everyone when it was written two possibilities: **"male"** or **"female."**)

Note what **Lesbian Activist Camille Paglia** said in a recent interview with **Dennis Prager**:

"Every single gay person [FROM THE INTERVIEW CONTEXT SHE MEANT MALE OR FEMALE 'GAY' PERSON] I know has some sort of drama going on, back in childhood. Something was happening that we're not allowed to ask about anymore ... I can see patterns that are similar in my background to that of other women I know who are lesbians, but the biggest patterns are in gay men. Every single gay man I know had a particular pattern where for whatever reason, he was closer to his

mother than to his father, and there was some sort of distance between the mother and the father, so that she looked to her son as her real equal or friend, as the real companion of her soul.

"Well, it's my point of view, sexuality is very fluid. Sexual Orientation can change according to circumstance. It's an absolute canard, as I said in the Wall Street Journal interview, that you're born gay. This is, there's absolutely not a shred of evidence for that."

"... the rise of transgenderism in the West is a symptom of decadence and cultural collapse."

"Nothing... better defines the decadence of the West to the jihadists than our toleration of open homosexuality and this transgender mania now," Paglia said ...

"Sex reassignment surgery, even today with all of its advances, cannot in fact change anyone's sex, okay. You can define yourself as a trans man, or a trans woman, as one of these new gradations along the scale. But ultimately, every single cell in the human body, the DNA in that cell, remains coded for your biological birth."

"So there are a lot of lies being propagated at the present moment, which I think is not in anyone's best interest ...

"Parents are now encouraged to subject the child to procedures that I think are a form of child abuse. The hormones to slow puberty, actual surgical manipulations, etcetera. I think that this is wrong, that people should wait until they are of an informed age of consent."

"Parents should not be doing this to their children and I think that even in the teenage years is too soon to be making this leap. People change, people grow, and people adapt."

Paglia went on to talk about her book Sexual Personae [5] and how the emergence of transgenderism signifies the end of Western culture. "Now I am concerned about this... In fact, my study of history in Sexual Personae, I'm always talking about the late phases of culture."

"I was always drawn to late or decadent phases of culture ...

"And I found in my study that history is cyclic, and everywhere in the world you find this pattern in ancient times: that as a culture begins to decline, you have an efflorescence of transgender phenomena. That is a symptom of cultural collapse."

I am sure that **they and most other "LGBTQ Allies" were sincere and well-meaning** in their encouragement to those involved with homosexual behavior. But I ask this question: Are the TCAPS Superintendent and the 7 Board Members if **really being true allies and friends, in the sense of Jesus' statement in John 8:32b: "... The Truth will set you free"?**

Our **TCAPS Superintendent and School Board** appear to be among the thousands of so-called LGBTQ Allies.

Another local "LGBTQ Ally" is **Michael Moore** – the Founder of the Traverse City Film Festival (TCFF).

On July 31st they showed **"THE DIARY OF A TEENAGE GIRL"** at this year's 2016 TCFF at **"The Buzz"** venue, which is located in the **Traverse City Central Grade School Gym** (used daily during the school year by

Kindergartners – 5th Grade children.)

This is a movie showing 15 year old Minnie having sex with her Mother's boyfriend, who is 30 – 40 years old.

Michael Moore and the TCFF describe the film this way: "... Minnie and Monroe fall into a precariously complex affair that director Marielle Heller handles with unparalleled skill, eschewing melodrama and victimhood for more complex questions about love, longing, and agency..."

Movie Guide describes it this way: **They give it their lowest possible rating of -4, and describe it as:**

"...ABHORRENT: Intentional blasphemy, evil, gross immorality, and/or worldview problems... at least 30 obscenities (mainly "F" words) ... very strong and graphic sexual content, with essentially the every scene being a sexual scene, explicit sex scenes between the 15 year old protagonist and her mother's older boyfriend (a man in his 30s or 40s), other sex scenes with another teenage boy, depicted oral sex, an intense lesbian sex scene, and an implied threesome; extensive, graphic, and full in your face nudity in a sexual context, with the protagonist fully naked in pretty much all the sex scenes, upper and lower male nudity, and pictures and drawings of male and female genitalia ... very strong miscellaneous immorality ... it has a very strong feminist worldview with explicit content that's abhorrent ... Ultimately, it's an evil movie that's unacceptable viewing."

Michael Moore seems to be promoting the **"Sexual Freedom,"** and thus is acting as an **"ally"** to the professing LGBTQ Activists, which starts with regular pornography, fornication, and adultery, and moves on to homosexual sex, pederasty (as in this movie), and polygamy, etc.

All the while pro-family leaders are actually the true allies to all individuals in society by saying: stop this false narrative madness.

Let's go back to the argument of who are the real LGBTQ Allies ...

Please consider this: **If you as an "ally" are promoting and celebrating homosexual behavior in your friends, then arguably you are for the following:**

The promotion of "Transgendered" regulations:

Not only is these Transgendered regulations greatly endangering the 10,000 local Traverse City Area Public Schools (TCAPS) Kindergartners – 12th graders (plus millions more around the country), it is undermining the very moral fiber of our country.

Consider what the **American College of Pediatricians (ACP)** says about the "Transgender" situation:

"Conditioning children into believing a lifetime of chemical and surgical impersonation of the opposite sex is normal and healthful is child abuse."

"Given the chance without being encouraged into the 'transgender' lifestyle, 'Up to 98% of gender ambiguous [TCAPS] boys and 88% of gender ambiguous [TCAPS] girls are likely to accept their biological sex after passing through puberty naturally,' according to the APA.

"Suicide rates are 'twenty times greater among adults who use cross-sex hormones and undergo sex reassignment surgery, even in Sweden which is among the most LGBTQ-affirming countries."

"The trans agenda's distortion of reality in the form of glorifying mental illness while demonizing a healthy sexual mindset is a clear example of what the ACP warned would damage children."

This "Little Girl" picture represents the LGBTQ Activist movement to

me: Adults with personal agendas trying to indoctrinate children into harmful behavior.

Michael Moore was kind enough to grant me a **90 second Q&A** regarding **Dr. Martin Luther King Jr.'s** test on how to discover if a law is just or unjust. You can watch this entire Q&A – plus 6 minutes of **Michael** promoting homosexuality and **Hillary for President**, plus 23 minutes of **TCFamily Street Outreach** – by going to www.UpNorthMedia.org. (This show is entitled **"NOAH and the Last Days"**; our local **TCFamily** portion is during the last 30 minutes.)

You can watch the show on **Charter Cable channel 189 at 11 pm on Sunday, Wednesday, and Thursday nights.** Or you can type in **TCFM** (from **TCFamily Media**) into their search engine to find our shows. Also watch **"AUDACITY: Love Can't Stay Silent,"** which is a great movie by **Ray Comfort** which compassionately addresses the homosexual issue.

It is much more than the Right to Privacy that we are concerned about. According to Dr. Scott Lively, it is really about the "primacy of natural gender identity..." So we will lose big time if we settle for individual unisex bathroom and shower stalls.

And Remember: **1 Corinthians 6:9-11** New King James Version (NKJV)

The Ex-'Gay' Verses: 9 Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals,[a] nor sodomites, 10 nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God. 11 And such were some of you. But you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God.

Just like there are thousands of ex-'gays', we pray that the thousands of so-called LGBTQ Allies will become genuine allies and choose to share the Truth in Love about homosexuality.

And I hope that our TCAPS Superintendent and School Board, and **Michael Moore** and all other so-called **"LGBTQ Allies"** – whom I am sure are sincere – will consider this.

TCFamily.org encourages WTCM Radio, Local Boy Scout Troops and TC Target Store Workers To "BE BRAVE" and fight against the SEXUAL ANARCHY WILDFIRE of LGBTQ Activists (ver 2)

(June 2, 2016 -- Written and Distributed in Traverse City, MI Area by TCFamily.org Founder Bill Wiesner)

According to what was shared in the 5 hours of the 2015 WTCM Radio Boy Scout Telethon, WTCM Radio announcer **Ron Jolly** started the WTCM Boy Scout Telethon Fundraiser way back in 2003 when the Boy Scouts lost various sources of funding.

We at www.TCFamily.org applaud both Ron Jolly and the Boy Scouts of America decades of successfully fighting against Homosexual activists who tried every method they could think of to force the Boy Scouts to allow same-sex-attracted boys to be Boy Scouts and homosexuals to become Boy Scout Leaders. One of those methods was to encourage corporations to stop donating money to the Boy Scouts.

And the homosexual activists' continual ruthless pressure finally worked. On May 23, 2013, the Boy Scouts finally fell and chose to allow openly homosexual boys into the Boy Scouts.

(TCFamily agrees with the Founder of <http://www.trailifeusa.com/> who I heard in a radio interview say that they gladly allow boys discretely struggling with same-sex-attraction (SSA) because they need the positive attention and encouragement of Godly men in their lives. However the inclusion of boys who openly identify as homosexuals would be promoting harmful homosexual behavior.)

I was listening to the June 6, 2013 Ron Jolly show, exactly 2 weeks after the Boy Scouts relented on homosexuality. I do not recall hearing even one mention of the Boy Scouts finally falling in this decades-old struggle. Nor have I heard any mention of it during the 2014 or 2015 WTCM Boy Scout Telethons.

And that's why we are outside the WTCM Radio Station today to **ENCOURAGE WTCM Talk Show Hosts, Local Boy Scout Troops, and the local Traverse City Target Store Workers and Managers to fight locally at every opportunity AGAINST the SEXUAL ANARCHY WILDFIRE of LGBTQ Activists.**

Just where does that **SEXUAL ANARCHY WILDFIRE of LGBTQ Activists** lead? Here is one example of the Transgender insanity that the CEO and National Board of Directors of TARGET stores is in effect promoting by their recent policy change to allow grown men who say they identify as "transgender" to use the bathroom of the women:

We at www.TCFamily.org will be joining other concerned citizens in participating in a **nation-wide protest of TARGET Stores on Saturday June 4th, from 10am – 2pm at our local TARGET located at the Grand Traverse Mall.**

TCFamily will also be holding this "little girl bathroom sign" outside at the entrance to the **Traverse City Area Public Schools graduation ceremonies at the Interlochen Arts Academy on Sunday June 5th.**

And we will also be outside the **TC West Senior High School on Monday June 5th to encourage all TCAPS students, teachers, and Administration to stand up AGAINST the SEXUAL ANARCHY WILDFIRE of LGBTQ Activists.**

The Christal Frost Show

thought-provoking interviews, and a refreshing point of view on local, state & national topics

Weekdays 10 – 12 on WTCM NewsTalk 580

We applaud WTCM Radio Hosts Crystal Frost and Colleen Wares who both spoke out sharply on the radio against the proposed Michigan Board of Education's (MBE) "Transgender" Policy, which would also allow grown men who either simply say or think they are women to use women's bathrooms and shower facilities.

However, once the proverbial cat (of "SEXUAL ORIENTATION") is out of the bag, everything else proposed by the **SEXUAL ANARCHY WILDFIRE of LGBTQ Activists** – like this **insane "TRANSGENDER" Bathroom Bill** – must automatically follow.

Dr. Scott Lively – who has held conferences in Traverse City three times now in about 2001, 2013, and 2015 – is arguably one of the foremost world experts on the homosexual movement. Here's one relevant comment he had to say:

"First they start out with pornography; then they bring in the homosexual agenda by promoting the idea that homosexuality is innate and unchangeable. ... And then they follow up behind that with an ANTIDISCRIMINATION LAW BASED ON SEXUAL ORIENTATION. ... The Anti-discrimination policy based on sexual orientation – like you just adopted here in your city – is the seed that contains the entire tree of the homosexual agenda, with all of its poisonous fruit. You look at the ACORN ... you say, "No", that is not an OAK TREE in there." Right? Oh yes there is! You get 'Gay' Pride Parades. You get 'Gay' Marriage. You get Government-Funding of all of their Agenda. You get Homosexuality being taught to the (TCAPS) KINDERGARTNERS in the school. EVERYTHING comes with it!" (Like the 'TRANSGERDER' bathroom madness.)

Let's take a look now at the Boy Scout Law:

Boy Scout Law

A Scout is:

Trustworthy	Obedient
Loyal	Cheerful
Helpful	Thrifty
Friendly	Brave
Courteous	Clean
Kind	and Reverent

If you look at the Boy Scout Law above, the **SEXUAL ANARCHY WILDFIRE promoting LGBTQ Activists break the following Laws: TRUSTWORTHY and LOYAL:** they discard the foundational

truths of the Boy Scouts; **OBEDIENT**: not to God's laws; **BRAVE**: for decades they were, but the leadership finally caved under pressure, setting a terrible example for the young Boy Scouts; **CLEAN**: along with pornography-viewing, fornication, adultery, homosexual behavior is not morally clean; and **REVERENT**: One who is reverent reveres God's word, which speaks against all sexual immorality. Plus they are also breaking the BOY SCOUT OATH OR PROMISE to be "morally straight."

There are really just 2 distinct choices to this issue: God created man-woman sex within marriage alone. This is like a warm campfire which we can use to cook with and warm ourselves; and the other is "sexual freedom" which means "sexual License" or "sexual anarchy": the

SEXUAL ANARCHY WILDFIRE offered by the LGBTQ Activists.

Tico Perez – the National BSA Commissioner – called in to the Ron Jolly 2015 Scout Telethon. He was asked in a 2014 article entitled: "Boy Scouts: Gays aren't pedophiles, but we still won't let them lead", this question:

IndefinitelyWild: Does the Boy Scouts consider gay adults predators or pedophiles?

Tico Perez: Let me be as clear as I can be on that topic: No, no and no. **This has never been an issue of predators or pedophilia.** We have studied every piece of data and every piece of information that the rest of the world has and **there is no relationship between homosexuality and pedophilia.** That is not the issue.

Tico went on to say that Boy Scout Director Robert Gates said that they would not be allowing "Gay" Scout Leaders: "We've done what we are going to do on this issue FOR NOW." As you might have expected, "FOR NOW" is NOW HERE, and less than 2 years later the Boy Scouts National Board Members were anything but "BRAVE" and voted to allow homosexual Scout Leaders.

But some people say that there is a definite link between homosexuality and pedophilia:

'Be Prepared': 'Gay' Men with Boy Scouts in Tents May 24, 2015
[EXCERPTS:]

"...In an interview with WND, Dr. Brown said that he "believes if the Boy Scouts accept openly homosexual leaders, they will cease to be a positive moral force in the lives of American boys."

Stated Brown: "This opens the door for sexual predators, a real danger, and it opens the door for gay boys to be flirting with straight boys under the auspices of the Boy Scouts."

The BSA has already been plagued by a long history of man-on-boy homosexual assaults perpetrated by closeted Scout leaders. The shocking extent of the abuse has only recently been exposed as the BSA has worked hard to cover up the scandal.

Parents, the BSA is about to place political correctness above your child's safety to a level unprecedented in the once-honorable organization's long and storied history. This is not an opinion. It's an empirical, quantifiable certainty.

Consider, for instance, a study published in the left-leaning Archives of Sexual Behavior, of over 200 convicted pedophiles. **It found that** "86 percent of offenders against males described themselves as homosexual or bisexual." This demonstrates, **as observes** Peter Sprigg of the Family Research Council: "Since almost 30 percent of child sexual abuse is committed by homosexual or bisexual men (one-third male-on-male abuse times 86 percent identifying as homosexual or bisexual), but less than 3 percent of American men identify themselves as homosexual or bisexual, we can infer that homosexual or bisexual men are approximately 10 times more likely to molest children than heterosexual men." [You can follow the hotlinks online.]

Furthermore, in an article entitled "New campaign aims to make Captain America 'gay'", World Net Daily (WND) Editor **David Kupelian** states:

"Yet, as I explain in 'How Evil Works,' there are always two engines of 'fundamental

transformation' working in tandem: **intimidation** and **seduction**. Lately, America is experiencing a lot of the intimidation: ... teen girls are required to shower with gender-confused boys; and those who don't play along with the transgender delusion are fined for failing to use the correct gender pronoun. **We're talking hardcore madness here.**

"... He highlighted shocking statistics which reveal the quiet desperation of American life.

110 million Americans have a sexually transmitted disease.

1 in 4 middle-aged women are taking antidepressants.

130 million Americans depend on some sort of mind-altering substance just to get through life.

Kupelian argues the "liberation" promised by the left is actually enslavement and suggests promoting homosexuality to children will simply lead to more suffering as people are seduced into following a self-destructive way of life.

"Unfortunately, the propagandists' agenda is to further glorify and entice impressionable viewers into embracing something that, in the final analysis, after all the excitement and illusion are stripped away, is really a disordered and sad obsession," he said.

Robert Knight:

Week 18 Truth Academy -- "Gay" Bully quote:

Of course the media are the reason homosexual activists I believe are as powerful as they've been. Because, if they are less than two percent of the population, and they don't have **Theology, Biology, Science, Sociology, Common Sense, History, all Major Religions**, going for them, what do they have going for them?

Well, when you think of the big "gay" bully, he's not really that big at all. He's a little guy, with a big media bully with a baseball bat behind him, ready to bash anybody who steps out and says, "This stuffs wrong, and it hurts people."

Michael Moore promoting homosexuality to the NMC Children's Choir and packed house at the 2015 Martin Luther King Jr. Remembrance Day at the State Theatre.

He said: he was hopeful since the U.S. Supreme Court took up the Michigan Marriage Amendment case, "where it is currently in our Constitution ... illegal ... to be married to someone of the same gender."

"... IT WILL BE ANOTHER REASON FOR MARTIN LUTHER KING TO SMILE DOWN UPON US HERE SHORTLY."

"I'm so hopeful, mainly because of OUR YOUNG GENERATION ... THEY'RE NOT 'HATERS!' RIGHT? THEY'RE NOT 'BIGOTS', ARE THEY? They don't look at color. THEY DON'T CARE WHO YOU'RE IN LOVE WITH. Right?"

But would Martin Luther King really be smiling down on so called "gay marriage?" Please consider Dr. King's only reported written thoughts about homosexuality, as recorded by an article by **Matt Barber**. What follows are some select excerpts, but if you Google the title you can read the entire article:

Civil rights icon saw homosexuality as a 'culturally acquired' 'problem' with a 'solution' [psychiatric counseling] – a "habit" stemming from a series of negative "experiences and circumstances."

By Matt Barber

This past week America honored both the life and noble work of the **Rev. Martin Luther King Jr.**, a Bible-believing Christian minister who did more to advance the cause of **race-based civil rights** than perhaps any other person in recent history.

Regrettably – and as they do each year – the same flock of opportunist "LGBT"-activist vultures quickly swooped in, picking the live flesh from **MLK's character-based "dream,"** to advance their own **behavior-based nightmare.**

In what amounts to a sort of soft racism, **this mostly white left-wing faction has, over the years, disingenuously and ignobly hitched its little pink wagon to a civil rights movement that, by contrast, is built upon the genuine and noble precepts of racial equality and humanitarian justice.**

What was MLK's position on the homosexual lifestyle and so-called "gay rights"? While he said little in public on the issue, what he did say made his viewpoint abundantly clear. Unlike the "LGBT" lobby, I'll let Dr. King speak for himself.

In 1958, while writing an **advice column** for **Ebony Magazine,** Dr. King responded to a young "gay" man looking for guidance. To avoid being accused of "cherry-picking," **here is the exchange in its entirety:**

Question: My **problem** is different from the ones most people have. I am a boy, but **I feel about boys the way I ought to feel about girls.** I don't want my parents to know about me. What can I do? **Is there any place where I can go for help?**

Answer: [Dr. Martin Luther King Jr.]: Your **problem** is not at all an uncommon one. However, **it does require careful attention.** The type of feeling that you have toward boys is probably **not an innate tendency,** but something that has been **culturally acquired.** Your reasons for adopting this **habit** have now been **consciously suppressed or unconsciously repressed.** Therefore, it is necessary to deal with this problem by getting back to some of **the experiences and circumstances** that led to the habit. In order to do this I would suggest that you **see a good psychiatrist** who can assist you in bringing to the forefront of conscience all of those experiences and circumstances that led to the **habit.** **You are already on the right**

road toward a **solution,** since you honestly **recognize the problem** and have a desire to solve it.

... No amount of leftist spin can muddy Dr. King's lucid position on the homosexual lifestyle. **He recognized it as a "culturally acquired" "problem" in need of a "solution" – a "habit" stemming from a series of negative "experiences and circumstances."**

Gary Glenn is a candidate for the Michigan State House. He ... said: "If **homosexual activists** had been holding awards ceremonies back in 1958," wrote Glenn, **"they would have labeled Dr. Martin Luther King Jr. a bigot** for his published views on homosexual attraction."

Indeed, were he still alive today, and when judged against today's empty, politically correct standards, Dr. Martin Luther King Jr. – quite literally the "King" of **civil rights** – would be perpetually **smeared as a "bigot," "hater" and "homophobe"** by the ever-"tolerant" left.

Dr. Alveda King is the niece of Dr. Martin Luther King Jr. She agrees [saying]:

"To equate homosexuality with race is to give a death sentence to civil rights," said Alveda in 1997. **"No one is enslaving homosexuals ... or making them sit in the back of the bus."**

In 1998 at the University of North Carolina, she said, "Homosexuality cannot be elevated to the civil rights issue. The civil rights movement was born from the Bible. God hates homosexuality."

So when **Michael Moore** or anyone else try's to **compare the noble civil right movement (based on one's race, which is inborn, involuntary, immutable, and innocuous) with homosexual behavior (which is learned, voluntary, changeable, and especially for males, high risk),** they are misrepresenting Dr. Martin Luther King Jr.

We at **www.TCFamily.org** have also been concerned about the **homosexualists at Traverse City Area Public Schools (TCAPS)** for at least the last 16 years and more. You can see some of that activism on our TCFamily website in the article **"TCAPS and Friends Promoting Homosexuality."** **Alfred Kinsey,** known as the **Founder of the Sexual Revolution,** was an in-the-closet homosexual. You can see his picture photoshopped onto the TCAPS Administration Building below.

Was his data accurate and scientific? You decide once you know that according to **Dr. Judith Reisman** – foremost expert on Kinsey – from researching his data she discovered that: **86% of the people that Alfred Kinsey interviewed were sex-addicts, homosexuals, criminals, rapists, prostitutes, pedophiles, and prisoners.**

Dr. Reisman wrote the book **"STOLEN HONOR, STOLEN INNOCENCE"**, to detail the fraudulent work of Kinsey. With its much skewed data mentioned above, **it disparaged the morals of the "Greatest Generation" – the men and women of the World War II era. And it compromised the innocence of the children by the constant and everywhere promotion of sex and homosexuality in our society**

We are also concerned about **TCAPS School Board Member Gary Appel's** stated desire to inhibit the religious freedom protections for TCAPS students and parents. This is in regards to an email that I sent out encouraging our pro-family supporters to contact their lawmakers in Michigan and ask them to vote FOR the proposed RFRA (Religious Freedom Restoration Act.)

Mr. Appel responding as follows in an email reply to me: "From: Appel, Gary [mailto:AppelGa@tcaps.net]

Subject: RE: TCFamily Press Release: Vital request to call your MI state senator ASAP; ...

Thank you for alerting me to this. I will call my legislators and urge them to vote NO on these bills. I will also forward my recommendation to the more than 1000 voters who have communicated with me over the years.

We are also concerned about **Northern Express Newspaper** editors refusing to print my letter to the editor regarding **Stephen Tuttle's** July 6, 2015 article entitled: "PICK A NEW FIGHT", and ending with the paragraph: "The reality is simple; this battle in the social wars is over. Opponents of same-sex marriage and the ACA lost. It's time they pick a new fight." The **Northern Express Editor** who emailed me (Luke) wrote the following response: "We reserve the right to publish, edit, or reject any letter. This letter was rejected because of the personal and attacking tone about a specific

writer." Certainly they do have that right, but shouldn't they promote diverse and strong opinions EQUALLY amongst their readership? You decide from selections from 15 letters to Northern Express letters critical of the August 24th letter entitled "No More State Theatre." Here are a few of the selected comments: "... pathetic and narrow-minded letter ... your hate and contempt of people ... homophobic presence ... intolerant attitude ... homophobic bigots like her ... spread your hate ... a heart so black ... her filthy comments ... hate and prejudice ... with your venom ... our shared revulsion for such shortsighted malice ..." [Did not Northern Express Editors allow some attacking here?]

Now here is my so-called "attacking" letter Northern Express Refused to print:

[Stephen Tuttle wrote (July 6, 2015 "Pick A New Fight") regarding the Supreme Court Decision to legalize "gay marriage" that "... the Supreme Court decisions are the laws of the land."

Let's back up to my first "Religious Freedom Challenge" letter to Mr. Tuttle on May 11th. I challenged Mr. Tuttle to a debate and stated that "every foundational stone of the "gay" movement is corrupt: Alfred Kinsey "science"; 1973 APA Decision; Kirk & Madsen "After the Ball"; Matthew Shepard; plus extreme health risks."

I then called Mr. Tuttle and encouraged him to debate publically his views promoting homosexuality in our community. His 10 second response and abrupt hang-up was: "No, we're not going to do that - thanks for calling though."

It appears that he is unwilling to defend his promotion of homosexuality - ultimately even to the TCAPS Kindergartners - which according to the CDC, "male-to-male sexual contact" is causing 94-95% of the new HIV infections in 13-24 year old young men.

Mr. Tuttle also stated: "We don't get to pick and choose which [Supreme Court] decisions to follow." Well then why don't I see you campaigning support for the obviously illegitimate 1857 Supreme Court Dred Scott Decision that stated: "... people of African descent were not fully human?"

We up the ante, and challenge you to debate Dr. Scott Lively (arguably THE foremost expert on the homosexual activist movement in the world) at his Traverse City Conference August 22&23 at TWO locations: at Harbor Light Christian Center 4050 Barnes Rd: Sat Aug 22: 2-6pm & Sun Aug 23: 6-8pm; AND at TC Christian School 753 Emerson Road: Sat Aug 22: 7-9pm & Sun Aug 23: 10-12am. He will give you ample time to challenge him, unlike your unwillingness to accept my challenge to you.

Traverse City Mayor Jim Carruthers' introduction to the 2016 MLK Jr event at the State Theatre: "I might not be standing here today as mayor if it wasn't for people like Dr. Martin Luther King. As an openly "gay" man I have felt the struggle in my life throughout my entire life to gain acceptance in my civil rights and I have fought tirelessly for those ..."

Two additional MLK Day events also promoted homosexuality at: (1) The Great Lakes Children's Museum (for young toddlers on up) and (2) Northwestern Michigan College (NMC). The homosexuals are constantly trying to indoctrinate the children and young adults with their misinformation. Is this something that the Museum's parents and donors should be happy about? Is NMC's use of humor to desensitize young college-aged adults not just a back door to promote the homosexuals' "sexual freedom" = "sexual license" = "sexual anarchy" world view? And should financial sponsors WTCM Radio and the West Bay Beach - a Holiday Inn Resort be proud of supporting this indoctrination of Traverse City community toddlers through young adults?

[It is ironic that online advertising states that "NMC Student Life Presents: Sampson McCormick", especially when homosexual men's expected life span is shortened by 8 - 20 years (Oxford Study), and 94-95% of the new HIV infections for males in the 13 - 24 year old age group are homosexuals [U.S. Center for Disease Control (CDC) Data].

[TCFamily will hand out this flyer - always sharing the truth in love - at the event.] Finally, two slides to address Michael Moore's "WE ARE ALL MUSLIM" sign he used to protest in front of the Trump Tower last week - photoshopped below. My question to Michael regarding homosexual behavior and any religious beliefs he may be promoting is this: Is what you are promoting good for the TCAPS Kindergartners - 12th grade children?

Still think everyone is Muslim, Michael?
