07/05/22_Ver-01

WWW.TCFamily.org Founder Bill Wiesner first got involved in about **the year 2000** when the City of Traverse City spent \$2500 to purchase **"We Are Traverse City" bumper stickers**, which were "LGBTQ-Promoting" Rainbow-colored bumper stickers with interlocking rainbow-colored stick men. These where earmarked to be put on all the **City Police cars** and all the **public school busses**. Concerned parents fought back, and **this plan to promote the false-foundation "LGBTQ" movement in our community failed.**

But ever since then (and long before I got involved in about 2000), **the City of Traverse City and Traverse City Area Public Schools (TCAPS) misguided-at-best Pied Piper Adults have been promoting high-risk homosexual behavior**

to all Traverse City children. In fact two of the current 2022 School Board Members strongly complained that I would be so bold as to quote far-left **"Teen Vogue" magazine** when they say: "Yes, you will come in contact with some fecal matter" when you engage in sodomy. So **I'm not supposed to describe sodomy** to the school board; **however they** (and other TCAPS adult employees for the last 20 years+) **can promote sodomy to the children** and that's no problem. Hmmm?

We know that every building block of the 'LGBTQ' Movement is False: The Pink Swastika; Alfred Kinsey; The 1973 APA Born 'Gay' Hoax; and Kirk & Madsen's 'After the Ball' Media Manipulation game.

But then the 'LGBTQ' Movement always comes back with **FEELINGS** – on page 162 of **"After the Ball"**, Kirk &

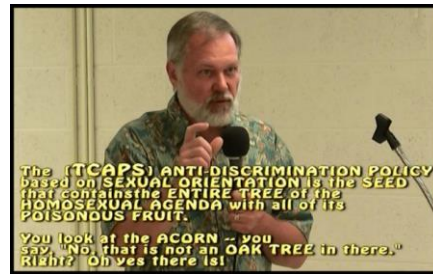

Madsen say: **"Propaganda relies more upon emotional manipulation than upon logic ..."** But God (WHO IS LOVE) says in 1Cor 13:6: **"Love ... does NOT rejoice in wrongdoing, but rejoices in the truth (ESV).**

So the so-called **"LGBTQ Allies"** are really **ENEMIES** of those identifying as **"LGBTQ,"** since the movement has a false foundation and no one is born that way. **So all of the TCAPS adults promoting LGBTQ behavior**

are ENEMIES (not allies) of the children. (Wikipedia photo)

Russ Miller has generously allowed anyone to copy these Dvd's, so if you get one you are allowed to make copies and give them away. TCFamily.org is asking \$1 each to cover the cost of producing the Dvd's; but if you can't afford it, then we will gladly give you a copy (We plan also to give many of these away to leaders in schools and government.) We are not able to mail any out, but you could go to www.CreationMinistries.org and purchase

the "Give a Reason" Dvd like I did, and then make copies to give away. This chart

shows 580 million years of "evolution" versus 6000 years laid down quickly by a global flood.

Carbon-14 will decay away in less than 70,000 years

The C-14 is in the same range through all layers!
(.1% to .5% of modern carbon)

Accelerator Mass Spectrometer tests show all Phanerozoic layers contain C-14!

The Carbon-14 found in the supposed "580 Million Years" from the bottom to the top of the Grand Canyon, all have carbon-14 remaining,

with the same amounts of carbon-14 from top-to-bottom, showing it was all laid down quickly in a global flood.

But why do I bring the **Christion Creation Bible** when talking about the Grand Canyon? R.Miller: it's a "belief in how the Grand Canyon came about," – just like when talking about the "Science" of Evolution, which is also a "belief in how the Grand Canyon came about."

Divided Nation: Cultures in Chaos & A Conflicted Church, by Ken Ham, makes three main points:

(1) There is NO Neutrality: One is either for Christ or against Him; ... Walks in light or darkness; ... Is either on the broad way or the narrow way; ... Either builds their house on the rock or the sand; ... One not for God is hostile to God; ... One who is not righteous is unrighteous and suppresses the truth.

(2) EVERYONE has a Religion. And (3) There are only two Religions: Either based on God's Word (Christianity alone); or on Man's Word (everything else).

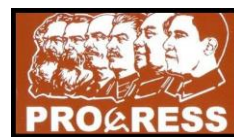

RELIGION defined (by the Merriam Webster Online Dictionary): "A cause, principle, or system of beliefs held to with ardor and faith."

Considering what RELIGION really is, then religion was not removed from United States public facilities (via removing the Bible in 1962 and Prayer in 1963, and Creation, etc.); it was simply REPLACED with the RELIGIONS of Secular Humanism – of Atheism (which are both anti-God religions. And 'LGBTQ' fits the definition of RELIGION to a T. So why is the 50 year old 'LGBTQ' RELIGION allowed to celebrate their 'LGBTQ' religion in the classroom, but the 2000 year old Christian RELIGION is barred from the classroom?

Bill Maher quote: "... the LGBTQ population of America seems to be roughly doubling every generation. According to a recent Gallup poll, less than 1% of Americans born before

1946. That's Joe Biden's generation identify that way. 2.6% of boomers do 4.2% of Gen X 10.5% of millennials and 20.8% of Gen Z, which means if we follow this trajectory, we will all be gay in 2052.

"The Naked Communist"....45 goals to destroy the United States of America ... Goal #26: Present homosexuality, degeneracy and promiscuity as "normal, natural and healthy." [Note: Today those few who still have the courage to advocate public morality are denounced and viciously attacked. Most Americans are entirely unwitting regarding the motives behind this agenda.]

The Ticker ... By Beth Milligan | Jan. 20, 2022 ... you will be sure to see the smiling faces of our first graders on their school floats ... and be filled with pride to celebrate our veterans, just as our community has always done before."

The Consumers Energy Community Royale Parade will take place on Thursday, July 7, 2022.

[In past years a Veteran's group has been accompanied by two ladies waving 'Gay' Rainbow flags – probably not even aware of the Communist Goal #26 above. IF they are back this year, then these people (along with any Vets who agree with them) may be well-meaning, but they are not allies but Enemies of the USA's rule of, by, and for the people, and all TCAPS children being swayed by adults promoting 'LGBTQ.' Homosexual behavior to children.

2 Peter 3:3-7 (ESV): ~Scoffers will come in the last days ... scoffing that Creation came by the Word of God; that all perished in a worldwide flood; and that there is a coming Day of Judgment.
