

Christian vs. 'LGBTQ' Religion: God's Word vs. Man's Word 10/15/23_Ver-02

This new www.TCFamily.org Flyer will be handed out at <https://upnorthpride.com> Traverse City "Drag Queen" events starting September 27, 2023. We hope that we will not get another over-zealot UpNorthPride supporter, who at last year's 2022 "Drag Queen" event decided that only the LGBTQ Religious Faith should be shared and that the Christian Faith should not be shared, so he stole

our "Rainbow Belongs to God" sign out of my hands, bent it into thirds and wrote on it, and then threw it into the deep water at the Open Space. It's all on tape and the Traverse City Police Dept. came and charged him.

Now let's first look at a Book entitled "DON'T FOLLOW YOUR HEART", written by Author, Pastor, and Professor **Thaddeus Williams**, and discussed on the [09/23/2023 Becket Cook Podcast](https://www.youtube.com/watch?v=09/23/2023). **Thaddeus Williams quotes:** So the premise of the book is that what we're facing as a culture is not just a new trends, but a new religion a fully orbbed worldview with adherence and prophets and saints and their own sacred songs, their own hymns, their own commandments, their own dogmas, and it is what I call the cult self-worship. [Religion based on Man's Word]. So, we have 84% of Americans that say, chief end of man is to enjoy yourself -- the point of life the reason you're on planet Earth ... the old **Westminster Catechism** ... What is the chief end of man? Man's chief end is to glorify God, and to enjoy him forever. ...

And then you have a whopping ... 94% of Americans saying that **answers are within**. And so, WITH THIS CULT OF SELF-WORSHIP, COMES WITH THESE [10] COMMANDS:

<https://jointheheretics.com/a-heretics-manifesto/>

- (1) **#Live your best life:** Thou shalt always act in accord with your chief end to glorify and enjoy yourself forever.
 - This cult of self-worship ...

... promises our most awesome life, but robs us of awe.

 - We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... awe for the God of the Bible.
- (2) **#OK, Boomer:** Thou shalt never be outdated but always on the edge, the edge of the new.
 - This cult of self-worship ...

... markets itself as cutting edge, but is hopelessly outdated.

 - We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... rejection of the ancient serpent's lie to define our own reality.
- (3) **#Follow your heart:** Thou shalt obey your emotions at all costs.
 - This cult of self-worship ...

... commands us to follow our hearts, but our hearts are divided and depraved.

 - We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... following God's heart before our own hearts.
- (4) **#Be true to yourself:** Thou shalt be courageous enough to defy other people's expectations.
 - This cult of self-worship ...

... encourages us to be true to ourselves, but makes us unwitting devotees to miserable men.

 - We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... rebellion against the doomed philosophies of self-worship ideologues.
- (5) **#You do you:** Thou live your truth and let others live theirs.
 - This cult of self-worship ...

... tells us to be our own moral masters, but strips us of courage and credibility.

 - We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... courage to champion the objectively Beautiful, Good, and True over and against the ugliness, evil, and falsehoods of the age.
- (6) **#YOLO** [You Only Live Once]: Thou shalt pursue the rush of boundary free experience.
 - This cult of self-worship ...

... calls us to the rush of unfettered experience and adventure, but becomes impossibly dull.

- We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... ascending the adventurous terrain of seeking God's kingdom, rather than wandering the flatlands of our own subjectivity.

(7) **#The answers are within:** Thou shalt trust yourself, never letting anyone oppress you with the antiquated or outdated notion of being a center.

- This cult of self-worship ...

... tells us the answers are within, but that's where the problems are.

- We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... looking to God's word rather than within ourselves for answers.

(8) **#Authentic:** Thou shalt invent and advertise thine own identity.

- This cult of self-worship ...

... beckons us to be authentic, but makes us arrogant.

- We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... authenticity before the fact that God is God and we are not.

(9) **#Live the dream:** Thou shalt force the universe to bend to your desires.

- This cult of self-worship ...

... claims we can break the structure of reality, but reality breaks us back.

- We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... expressing our God-given freedoms within the God-given forms of moral reality.

(10) **#Love is love:** Thou shalt celebrate all lifestyles and love lives as equally valid.

- This cult of self-worship ...

... advertises itself as loving, but makes bigots and haters of us all.

- We seek to actively subvert the religious narcissism of our day by living lives marked by ...

... loving others redemptively, with an eye toward their temporal flourishing and eternal good.

So that's the new Decalogue – the new 10 commandments of the cult of self-worship. ... So really in the 1960s is when America took a hard turn towards what nowadays we're calling **expressive individualism** – the chief end of man is to make my three best friends, me myself and I, happy. ... I'm just borrowing from a psychologist named David Myers. ... He says from 1960 to the turn of the 21st century, so over that 40-year period, America: **"We've achieved the old American dream: life, liberty, and the purchase of happiness.** Yet, **paradoxically,** we are a bit less likely to say, we're "very happy." We are more often seriously depressed. And we are only now beginning to emerge from a **serious social recession: doubled** divorce, **tripled** teen suicide, **quadrupled** juvenile violence, **quintupled** prison population, and **sextupled** proportion of babies born to

unmarried parents." **[From the Sexual Revolution of 1960s – 2000.]**

... There's a deep reason kind of **paradox of hedonism.**

Just as we were never designed to be the center of our own existence, if you make yourself the center point you will end up anxious, depressed, miserable, and overwhelmed.

There is something really liberating and freeing to make God the center point of your existence, when we take Him seriously, frees us up to not have to take ourselves so seriously. And that's a huge part of living a truly satisfied life. ...

The 10 Commandments Children Song (Sing to the tune of 'Jesus Loves Me')

(1) Put God First, (2) Worship nothing but God, (3) Honor God's Name, (4) Use God's Day to Honor Him, (5) Respect you Parents, (6) Don't Murder, (7) Don't pretend that someone else is your husband or wife. (8) Don't Steal, (9) Don't Lie, (10) Don't Covet – These are God's 10 Commandments.

"Drag Queen Flamy Grant": real name Matthew, a man dressed as a woman, wrote the song "Good Day". Here are excerpts with my comments in ALL CAPS.

... 'Cause it's a good day to come out of the shadow
[EVERY DAY IS A GOOD DAY TO COME OUT OF THE SHADOW OF SIN]

God made me good in every way [ROM 3:23 – FOR ALL HAVE SINNED AND FALL SHORT OF THE GLORY OF GOD.]

So I'll raise my voice to celebrate a good day ... [WE SHOULD RAISE OUR VOICES AFTER WE REPENT, AS IN 1COR: 6:11: "AND SUCH WERE SOME OF YOU. BUT YOU WERE WASHED, BUT YOU WERE ^{1a}SANCTIFIED, BUT YOU WERE JUSTIFIED IN THE NAME OF THE LORD JESUS AND BY THE SPIRIT OF OUR GOD.]"

I've got a heart in the right place [JER 17:9: "THE HEART IS DECEITFUL ABOVE ALL THINGS, AND DESPERATELY WICKED; WHO CAN KNOW IT?"

Covered in the good graces of An endless love [THE GRAND CANYON IS OBVIOUS EVIDENCE OF JUDGEMENT IN THE FLOOD OF NOAH, DESTROYING THE ENTIRE EARTH BECAUSE OF SIN. AT SOME POINT A RIGHTEOUS AND HOLY GOD MUST JUDGE SIN AGAIN. **GOD CREATED US OUT OF NOTHING. AS OUR MAKER, HE KNOWS US PERFECTLY, AND HIS LAWS IN HIS WORD – THE HOLY BIBLE – ARE THERE TO PROTECT US, NOT PUNISH US. REPENT AND TRUST IN JESUS FOR HIS PEACE BEYOND UNDERSTANDING.]**

And this photo is from the **June 3, 2023, Northwestern Michigan College (NMC) "LGBTQ" Carnival, set up for**

the many very young children in attendance. This very kind (yet very deceived) local Pastor, along with so many other adult so-called allies, were basically grooming the young children into the support of and/or participation in "LGBTQ" behavior.

Genevieve Minor is the teacher Librarian at TC-West Senior High. She spoke at the 09/19/22 TCAPS Board Meeting during public comment, [beginning at 26:35] saying: "... As a public school teacher, librarian it is my duty to support the district's strategic plan, making sure all of my students have access to materials they need for individual excellence and success is at the heart of what I do, providing a wide range of materials to our diverse community so that they feel valued, valued as their authentic self and learn about others upholds our democracy. ... Today is Constitution Day. And in celebration, I speak on behalf of the First Amendment rights of students to access the materials they wish to. ... thank you for crafting such a thoughtful and exclusive strategic plan that values all of our students. I am so proud to work and send my kids to schools where everyone is welcome and represented. Thank you."

... I'm here tonight because the American Library Association's banned books' week started yesterday, and it is a campaign to raise awareness for the dangers of censoring material and information. It is a campaign aimed at securing our First Amendment Right. It is also a campaign that sometimes misses the mark when we simply highlight the hundreds of books that have been challenged and banned over the past several decades. We miss an opportunity to explore how these bans erode the fundamental rights of our students to seek their full potential. Our students have a right to seek information and knowledge. They have a right to see themselves in the stories they read. They have a right to learn about experiences different from their own. Traverse City Area Public Schools (TCAPS) has been promoting homosexuality for at least 23 years (that I know of) – see evidence at www.TCFamily.org (HERE), based

Kinsey's Table 34 (see chart above) sexual abuse of children and fraudulent studies.

Both TC Central & TC West High Schools are completely BANNING BOOKS of opposite viewpoint: I went to this site (<https://books.tcaps.net/>) and first selected TC-West Senior High and found 624 LGBTQ-like books (about 500 after removing duplicates, see chart below). Then I selected TC-Central Senior High and found 466 LGBTQ-like books (about 400 after removing duplicates, see chart below).

Larissa Vander Zee is the teacher Librarian at TC-Central Senior High. She also spoke at the 09/19/22 TCAPS Board Meeting during public comment [beginning at 29:25], saying: "... My name is Larissa Vander Zee I am a TC resident. I also am the central high school teacher librarian.

We also fail to give them equitable access and acceptance, which will hinder their learning, growth and eventually their

success. As you read any challenges and criticisms brought against the books we may make available to students, I urge you to keep in mind that **myself and the other teacher librarians in the district, develop our library collections with all of our students in mind. We do so with thoughtfulness to the needs of our student population, concern over our students' well-being, and desire to see all of them grow into healthy, successful members of our society.** Thank you for serving us as you do."

TADL (Traverse Area District Library) states in their "[Library Bill of Rights #2](#)" that: **"Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval."**

With this in mind, **there should be 500 compassionate, and historically and scientifically accurate, Christian viewpoint regarding homosexuality (versus the 'LGBTQ' religious belief) opposite point of view books at TC-West HS (and 400 at TC-Central HS), yet there is NOT ONE AT EITHER TCAPS SCHOOL.**

These compassionate, and historically and scientifically accurate pro-Christian books are not hard to find – even this pro-homosexual behavior guy lists **108 Titles**. (But **ignore his ad hominem – already lost the argument – attacks.**)

In 2001, www.TCFamily.org Founder Bill Wiesner counted over **500 books for sale at Borders that were promoting homosexuality;**

But after 45 minutes of searching with Borders staff and 2 managers, **we could not find even 1 book for sale that was concerned about the promotion of homosexuality.**

And in the year 2001, Bill Wiesner counted 500 pro-homosexual behavior books at Borders Bookstore in Traverses City, with (just like TC-West and TC-Central High Schools) ZERO (0) NADA books giving the compassionate and historically and scientifically accurate Christian viewpoint on homosexuality. So, who is really doing the book banning?

TCAPS again promoting homosexual behavior to kids: this photo was taken on September 21, 2023, in the Traverse City High School (located on 3-Mile Rd), brainwashing the students with "The ABCs of Pride".

Dr. Scott Lively has advocated and modeled the Biblical worldview as a writer, speaker, attorney, pastor, human rights consultant, and missionary for more than 30 years on five continents.

On September 16, 2023, he wrote this article, entitled: **"October is Gay Recruitment Month"**, which shows:

<https://www.wndnewscenter.org/october-is-gay-recruitment-month/>

- **Nearly all of the Gay History Month recruitment efforts are done behind the schoolhouse doors by a decades-old national network of LGBT activists called GLSEN.**
- **Thanks to conservative educational efforts like the "Sound of Freedom" movie, the American public has been awakened to the reality of international sex trafficking, previously known as "sexual slavery," and are rightfully horrified. BUT, in some ways the "trafficking" of public school children into the LGBT movement is worse, because the LGBT recruitment system persuades children to voluntarily join its sex cult as a permanent lifestyle, a decision relentlessly hardened by continuous, mutually reinforced, self-deluding "sexual identity" dogma. Unwilling sex slaves can be rescued and resume a normal life, but, a great many LGBT recruits lose any sense of sexual normalcy, becoming "social justice" fanatics in defense of deviance, more zealous than even religious cultists. And attempts to rescue them – even through talk-therapy – have literally been criminalized in a growing number of left-leaning jurisdictions. ...**

DOCTRINES	ARGUED THAT SEXUALITY IS FLUID AND GENDER IS NON-BINARY. INVENTED KINSEY SCALE OF GENDER FLUIDITY BASED ON INTERVIEWS WITH OVER 1000 SEX OFFENDERS AND PEDOPHILES. LOATHED MONOGAMOUS HETEROSEXUALITY AS OPPRESSIVE.	COINED THE TERM "SEXUAL REVOLUTION," PROMOTING "IF IT FEELS GOOD, DO IT" SEXUAL EXPRESSIVISM TO ACHIEVE LIBERATION FROM REPRESSION. VIEWED MONOGAMOUS HETEROSEXUAL SEX AS AN EVIL RELIC OF RELIGION.	CONSIDERED THE GOD-FATHER OF QUEER THEORY. HE ADVANCED THE IDEA THAT HETERNORMATIVITY IS A POWER STRUCTURE THAT MUST BE DECONSTRUCTED BY THE PURSUIT OF SUBVERSIVE SEXUAL IDENTITIES AND PLEASURES.	CHAMPIONED TODAY'S DOGMA THAT "THE MIND OF THE TRANSEXUAL CANNOT BE ADJUSTED TO THE BODY... WE MUST ADJUST THE BODY TO THE MIND," MAKING HIM A FOREFATHER OF GENDER IDEOLOGY AND REASSIGNMENT SURGERY.	COINED THE TERM "GENDER IDENTITY" IN 1967. BELIEVED GENDER WAS A MERE SOCIAL CONSTRUCT AND PURELY SUBJECTIVE PHENOMENA. PROMOTED AND PRACTICED HORMONE TREATMENT AND GENDER REASSIGNMENT SURGERIES FOR CHILDREN.	ARGUED THAT "MAN IS NOTHING ELSE BUT WHAT HE MAKES HIMSELF." THE EXISTENTIALIST DOCTRINE OF SUBJECTIVE SELF-DEFINITION THAT FORMS THE PHILOSOPHICAL FOUNDATION OF TODAY'S TRANSGENDER AND QUEER THEORIES.	INSPIRED QUEER THEORY BY DECONSTRUCTING LANGUAGE AS AN OPPRESSIVE POWER-PLAY. HE/SHE, MAN/WOMAN ARE FALSE BINARIES, TOOLS OF SUBORDINATION. WE MUST "DISORGANIZE THE INHERITED ORDER" BY "TRASHING" SUCH BINARIES.

These 7 scandalous & miserable men are the foundation of the false foundation 'LGBTQ' that TCAPS (Traverse City Area Public Schools) has been promoting for so long. None of these men (all have died) should have been near any children. TCAPS should be teaching the true foundation of the 'LGBTQ' Movement, showing that it is fraudulent. All identifying as 'LGBTQ' are created in the image of God (Genesis 1:27 & 2:24), but they are being deceived by a fraudulent movement.
